Important notice

This *Product Guide* comprises the *terms and conditions* which apply to the operation of the Adelaide Cash Management *Account*. Please read this *Product Guide* carefully before deciding to open an *account*.

This *Product Guide* is current as at the date noted on the front cover and is subject to change. A copy of any updated information is available free of charge upon request.

Security Information

You must notify us as soon as possible of the loss, theft or misuse of a *card*, security code or cheque. Please refer to the *terms and conditions* in this document for details on how to keep these items safe.

Any delay or failure to notify us will significantly increase the risk that fraudulent cheques could be written and/or unauthorised transactions performed on *your account*, for which you may be personally liable.

To report a lost/stolen *card*, cheque or unauthorised use or lost/stolen/disclosed *PIN/OBP/PAC/other code*, telephone:

- 1800 224 124 within Australia
- +618 8300 6000 outside Australia.

You can call us 24 hours a day.

Please be careful when performing transactions on *your account* because if you provide incorrect account information or details such as an incorrect *BPAY biller code*, account number or reference number, *your* transaction may be rejected or not received by the intended recipient.

Introduction

The Adelaide Cash Management *Account* offers investors:

- The security of a permanent Commonwealth Government guaranteed bank deposit subject to the Financial Claims Scheme
- An attractive return compared to at call cash accounts
- The convenience of full transactional access on *your account*
- 24 hour at call access to *your funds*
- A flexible *account* designed to be the cash hub for an investor.

This *account* is an ideal solution for *your* share trading settlements, dividend payments, *regular payments* and for everyday banking.

You can grant access to *your* financial adviser to help them administer *your* investment needs.

This *account* is a deposit with Bendigo and Adelaide Bank Limited, regulated by APRA, the Code of Banking Practice and the *ePayments Code*.

You and your adviser

When you open an *account* through *your adviser*, *your adviser* may transact on *your account* on *your* behalf. Therefore if you wish to withdraw funds or change *your account* in any way, you can do so through *your adviser*.

Custodian investors

Where the investment in the Adelaide Cash Management *Account* is made through a master trust, wrap account or other investor directed portfolio-type service (a *custodian*), the *account* will be held by the *custodian* rather than the investor on whose behalf the investment is made (the *custodian investor*) and the *custodian* may exercise the rights of the *account* holder (including rights to operate on the *account*), subject to the terms of their arrangement with the *custodian investor*.

Because a *custodian investor* will not be the *account* holder, a *custodian investor* does not have rights under *our* complaints process or under the Financial Claims Scheme. *Custodian investors* may also be subject to different conditions from those outlined in this *Product Guide* (such as procedures for making investments and withdrawals, cooling off periods, cut-off times for transacting, timing for distributions, additional fees and costs and investor reporting).

Adelaide Bank is not responsible for the operation of any *custodian* through which a *custodian investor* invests. *Custodian investors* should direct enquiries and complaints to their *custodian*, not to Adelaide Bank. In addition to reading this *Product Guide*, *custodian investors* should read the document that explains their *custodian*.

1. Part A – Banker and customer relationship

1.1 Our relationship

These *terms and conditions* govern the banker-customer relationship between *you* and *us*. As well as these express written *terms and conditions*, there may be implied terms relating to everyday banking matters.

The opening of *your account* will be taken as *your* acceptance of these *terms and conditions*.

Where *you* are not already bound by the *terms and conditions* in this *Product Guide*, the first use by *you* or an *authorised operator* of *your account* will be taken as acceptance of these *terms and conditions*.

Your relationship with us may also automatically stop in some cases. For example, if *you* close *your account*, if *you* become bankrupt or *insolvent*, or if *you* die. If we wish to end *your relationship with us*, in most cases we will give *you* reasonable notice.

2. Part B – Banking with *us*

2.1 How to change *your* details

If *you* change *your* address, telephone number or other relevant details *you* must notify *us* promptly so we can update *your* information. If *you* change *your* name, all *you* have to do is show *us* the documentation that supports the change, for example a marriage certificate if *you* have changed to a new married name.

Please note that unless *you* give *us* reasonable notification of such changes we cannot be held responsible for any resulting errors or losses.

All changes to *your* details are required to be submitted in writing.

2.2 Information influencing *your account*

If *you* provide *us* with incomplete or incorrect information we may not be able to meet *your* needs in the best possible way. Also, if *you* refuse to tell *us* some information we request, we may not be able to provide *you* with a financial product or a banking service.

2.3 Statements

We will provide *you* with a *monthly statement* for the *account*.

Your statement is an easy-to-read record of all transactions *you* have made over the *statement period*. Every *statement* is worth keeping as it provides an invaluable record of all transactions, interest earned and government charges as well as the current *balance*. *You* should check each *statement* carefully and contact *us* immediately if *you* find any error or unauthorised transaction.

2.4 Communication between *us*

Notices, certificates, consents, approvals and other communications must be in writing. Communications from *us* may be signed by any of *our* authorised employees.

We may serve any document in a court action (including a writ of summons, other originating process or third or other party notice) on *you* by delivering it to *your* residential or business address last known to *us* or by leaving it there. This does not prevent any other method of service.

We may telephone *you* to confirm any instructions regarding *your account* sent electronically to *us*. We reserve the right to withhold processing any instructions regarding *your account* sent electronically to *us* until we have confirmed these instructions with *you* by telephone.

Financial Ombudsman Service Australia

We do not anticipate a situation where we cannot resolve a concern or complaint to *your satisfaction*. However, should this happen, you have the option of referring the matter to the Financial Ombudsman Service.

The Financial Ombudsman Service is an independent *person* appointed to help individual customers and small businesses resolve problems and disputes with their bank. You do not have to pay if you ask the Ombudsman to help you.

The Ombudsman's role is to investigate matters only after customers have fully exhausted the established complaint procedures of their bank.

2.11 Risk

All financial products carry risk and different products may carry different risks depending on the nature of that product. You should consider *your level of risk tolerance* prior to investing and should have regard to *your own investment objectives, circumstances and needs*, and consider the need for professional advice, including taxation and legal advice.

The most significant risk associated with the Adelaide Cash Management Account is as follows:

Interest Rate risk

The interest rate applying to *your account* may be affected by changes to the official cash interest rate, which is determined by the Reserve Bank of Australia. Your interest rate can also be affected by changes in the interest rates prevailing between Australian banks in the Australian wholesale money market. These interest rates may vary depending on a number of factors, including Australian and overseas interest rates, market liquidity, exchange rates, monetary policy and other economic, social and political factors.

2.12 Commission

We may pay commission to *your adviser* based on the *deposit balance* of *your account* and the percentage of commission charged. Commission is deducted from the total interest we pay on *your account*. The amount of commission charged by *your adviser* directly affects the *interest rate* received by you on *your account*.

Ongoing commission	Amount	When
We may pay a standard ongoing commission to the financial adviser or entity that refers you to this account	0.275% per annum (inc GST)	Paid monthly on the average balance of your account

As an example:

We offer an 'all-up' (total) *interest rate* of 5.00% p.a. on the *account to your adviser*. If your adviser takes the standard 0.25% p.a. commission the *interest rate* received by you will be 4.75% p.a.

Please note: examples are used for illustrative purposes only.

Additional commissions or incentive payments are inclusive of GST and may also be provided to a financial *adviser* or entity that refers you to this *account*, or the company that operates the financial *adviser* group to which the financial *adviser* belongs.

Your *adviser* may give you further information about benefits received by them (such as commission) when providing you with financial product advice or arranging for your *account* to be opened.

Where prohibited by law, including the Corporations Amendment (Future of Financial Advice) Act 2012 (Cth), we will not pay any commissions, fees or soft dollar benefits to *advisers* and related parties.

Commission may also be payable to a *custodian* as described above.

2.13 Financial Claims Scheme

The Financial Claims Scheme protects depositors through the provision of a guarantee on deposits (up to a cap) held in authorised deposit-taking institutions (ADI) in Australia and allows quick access to their deposits if an ADI becomes insolvent.

As such please note the following information:

- You may be entitled to a payment under the Financial Claims Scheme in the event of us becoming insolvent;
- Accessibility to the Financial Claims Scheme is subject to eligibility criteria; and
- Information about the Financial Claims Scheme can be found at the APRA website at www.apra.gov.au and the APRA hotline on 1300 558 849.

2.14 Account Switching

If you have opened your *account* as an individual i.e. not as a company or superannuation account, you have access to an easy payments switching service. This service enables you to switch your regular direct debits and credits from your old *account* to your new *account* with us. For more information about this service please speak to your *adviser* or contact us.

3. Part C – Using your account

3.1 Your account

3.1.1 How to open your account

To open an *account* with us you will need to complete an *account* application form with your personal details. You will be asked to sign this form to certify that all the information is correct. With this information we will be able to identify you. An application must be made through your *adviser* or by a *custodian*.

An *account* may be opened in the name of an individual, company, partnership, trust, association, co-operative, a self managed superannuation fund or a *custodian*.

Eligible Investors

You must be 18 years or over to open an *account*. Investments are only available to persons receiving an up to date (electronic or otherwise) copy of this *Product Guide* within Australia. Applications from outside Australia will not be accepted. The individual(s) or entities in whose name in which the investment is made in and all signatories to the *account* must reside in Australia. Applications not meeting these requirements will be rejected.

3.1.2 Minimum deposits, transactions and balances

The minimum initial investment amount to establish an *account* is \$1,000. There is no minimum deposit nor minimum withdrawal amount.

The minimum operating *balance* on your *account* is at all times to be \$1,000. There is no maximum operating *balance*.

Should your *account* fall below the minimum *balance* of \$1,000 or have no *balance*, we reserve the right to close the *account*.

3.1.3 Availability of funds

Your funds are available at call.

3.2 How to identify yourself

When *you* open an *account* with *us* we need to obtain identification as required by law, including 'Know Your Customer' requirements under anti-money laundering and counter-terrorism financing legislation. This will include information such as, for an individual, name, residential address and date of birth and for a company, information such as details of directors and shareholders. Where the customer is a trust, details of the trustee and beneficiaries may be required. We may also require other information about beneficial owner(s), and information about *your* activities and reason for opening an *account* in Australia.

You only need to provide this information once. We will file it for future reference should *you* open other *accounts* with *us*. This information is also required if *you* become a signatory to an *account* of another *person* or organisation.

3.3 Joint *accounts*

If *you* have a joint *account* with another *person* or *persons*, *you* will each be liable for any amount due to *us* on the *account* and any other obligation under these *terms and conditions*.

Under these *terms and conditions* *you* are liable both separately on *your own* and jointly with any one or more other *persons* named as *account* holders of *your account*.

This includes *your* successors and assigns. This means we can ask all of *you* or any one of *you* for the whole of the amount owing, if the *account* becomes overdrawn.

In some cases *you* may be able to limit *your* liability on a joint *account*. A request to limit *your* liability to *us* will only apply in relation to future advances and not to money already owing. *You* should direct any requests to limit *your* liability in writing to *us*. Requests are only effective upon written acceptance from *us*.

Joint liability for amounts owing to *us* may also be limited as a result of family law property proceedings, for example following a Family Court decision to transfer the mortgage and title on a jointly owned home.

Upon the death of one or more of *you*, we shall be entitled to treat the survivor(s) as having title to *your account*. However, we will normally treat all authorities for operating the joint *account* as cancelled once we know of *your* death (and certain conditions have been met) or of *your* bankruptcy. We must be notified as soon as practicable if one of *you* dies.

It will be up to *you* and the other joint *account* holders to say how many of *you* must sign in order to operate the *account*. Any such arrangement will form part of the *terms and conditions* of the *account* with *us* and may be altered at the request of *you* and the other joint *account* holders.

If we receive no other instructions we will assume the signature of any of *you* is required.

Regardless of any arrangement with *us*, any holder of a joint *account* can require *us* to operate the *account* only on the signature of all parties. This might be done if there is a dispute between the joint *account* holders.

Unless we agree otherwise, the signature of any of *you* is required:

- On any notice or request for withdrawal of monies
- On receipt for monies paid
- To appoint or remove an *authorised operator* to *your account*
- To end *your* relationship with *us* under these *terms and conditions* at *your* request.

If there is more than one of *you*, *you* authorise *us* to accept for the credit of *your account* any cheque payable to any one or more of *you*.

You agree that where *you* hold an *account* jointly with another *person* or *persons*, *you* each appoint the other *account* holder(s) as *your* agent for the purposes of receiving a copy of this *Product Guide*, *statements of account*, transaction confirmations and any other information relating to the *account* that is required to be provided to each *account* holder. *You* can obtain copies of any of this information at any time by contacting *us*.

3.4 Giving someone access to your account

3.4.1 Access to your account

You can appoint an *authorised operator* to your account as outlined in this clause. Each use of your account by an *authorised operator* is subject to these *terms and conditions* as if you had used the account.

3.4.2 Who you can appoint

You may appoint any of the following to be an *authorised operator* on your account:

- A person aged 18 years or older
- A company
- A partnership
- Your financial adviser.

3.4.3 Level of authority

The types of functions your *authorised operator(s)* can perform on your account will depend on the level of authority you grant them. You may opt for your *authorised operator* to have either 'limited' or 'full' access to your account.

In short, a limited access *authorised operator* will only be able to access information on your account, whereas a full access *authorised operator* can perform transactions on your account.

3.4.4 Your financial adviser

You can advise us of the level of authority of your adviser by completing section 14 of the application form.

If you wish, you may change the level of authority of your adviser by notifying us in writing.

Functions your authorised operator can perform

Refer to the table in 3.4.7 which explains the functions which may be performed by *limited* and *full access operators*:

3.4.5 Cancelling authorised operator status

Please note that if you open your account through your financial adviser or stockbroker, they are unable to opt out of being a limited access *authorised operator* if they wish to be noted on your account.

You may cancel an authority to operate at any time.

Authorised operators may also cancel their own *authorised operator* status at any time (subject to the rules relating to financial advisers and stockbrokers outlined in the paragraphs above).

Authorised operators will automatically have their status revoked, once we receive confirmation (to our satisfaction) that the *authorised operator* has experienced an *insolvency event*. If the *authorised operator* is an *adviser* and their relevant professional licence is suspended, revoked or cancelled, their *authorised operator* status may be revoked at our discretion without notice. Upon revocation of the *authorised operator* status, the account will be either transferred to an *authorised operator* of the same financial adviser firm or transferred to you to be operated as a direct customer.

3.4.6 How to appoint an authorised operator (other than your financial adviser).

If you wish to appoint an *authorised operator* other than your financial adviser or stockbroker to have *full* or *limited access* status, you should forward to us your completed and signed *authorised operator* form.

3.4.7 Functions your authorised operator can perform

Refer to the table which explains the functions which may be performed by *limited* and *full access authorised operators*:

² Charges apply to requests for interim and duplicate statements, closing details and transaction summaries. Refer to the fees and charges section of this *Product Guide* for further information.

³ Online Banking services are not available to your financial adviser or stockbroker.

Authorised operators, whether with limited or full access, are not able to appoint or remove other *authorised operators* on *your account*.

3.4.8 Terms and conditions applicable to authorised operators

You should ensure that an *authorised operator* is familiar with:

- The *terms and conditions* in this *Product Guide* (prior to that *authorised operator* using a *transaction service*), and
- Any changes we make to these *terms and conditions* (*authorised operators* should note that we may not be obliged to notify them of those changes).

We will provide a copy of this *Product Guide* to you or an *authorised operator* at any time upon request.

When you allow an *authorised operator* to use *your account* (including use of a *transaction service*) you are bound by and liable for any such use (including for any fees and charges) as if *your account* had been used by you. However, you will not be liable if the *authorised operator's* rights to use *your account* were previously withdrawn in accordance with the following paragraph.

An *authorised operator's* rights to use *your account* will be withdrawn from when you have notified us in writing when you want that to happen, and whether any *card* issued to that *authorised operator* has been returned to us or you have taken reasonable steps to return the *card* to us. If you are a joint *account* holder, all of *your* signatures are required.

If you are unable to return to us a *card* issued to an *authorised operator* you may ask us to place a temporary stop on the access that the *authorised operator* has to *your account*. However, unless and until the *card* issued to the *authorised operator* is returned to us the stop will not necessarily prevent the *authorised operator* from using the *card*. Unless you have taken reasonable steps to return the *card* to us, you will incur liability for all transactions arising from use of the *card* by the *authorised operator*. We may require you to make a written statement outlining the steps you have taken in attempting to return the *card* to us. You may place a temporary stop on the *authorised operator's* access by visiting a *branch* or by sending us a request in writing.

If you appoint your stockbroker or financial adviser as an *authorised operator*, then they may place a trade hold on *your account*.

We may cancel the appointment of an *authorised operator*, by giving you 14 days written notice of our intention to do so.

Where an *authorised operator* is a company, the powers of operation vested in the company are also taken to be vested in any director, any employee and any agent (accepted by us) of the company, and where the *authorised operator* is a partnership, the powers of operation are also taken to be vested in any partner, any employee and any agent (accepted by us) of the partnership.

Where there is more than one *authorised operator* any one of them may give instructions in relation to *your account*, unless you specify otherwise.

3.5 How to make deposits and withdrawals

Deposits

Your initial deposit, and subsequent deposits can be made by:

- Cheque payable to 'Adelaide Bank - your name'; or
- Electronically by using your direct debit/credit number which can be confirmed by your adviser; or
- Electronically via direct debit.

Further information

There are many ways you can access *your account* with us. Please refer to Section 4 for further details on how to make deposits and withdrawals.

3.6 Interest rates

The interest rate on *your account* will be determined by us from time to time. We may at our discretion vary the interest rate on *your account* at any time. The current interest rates applicable to *your account* are available by:

- Contacting your adviser
- Viewing the most recent copy of your statement
- Calling us on 1800 224 124.

Interest on *your account* is calculated daily on the *closing balance* of the *account*. Interest is paid to *your account* on the last day of each *statement period* and when *your account* is closed.

Interest is calculated on the daily *closing balance* of *your account* using the following formula:

Daily closing balance X Daily percentage rate

The *daily percentage rate* is the *annual percentage rate* for that day divided by the number of calendar days in the year.

3.7 Overdrawn accounts and interest charges

There must not be a *balance* owing on *your account*. If there is a *balance* owing on *your account* then that amount is immediately due and payable by *you* to *us*.

It is *your* responsibility to ensure that there are sufficient cleared funds available in *your account*, or that *you* have made the necessary arrangements with *us*, to allow a payment to be made. If *you* overdraw the *account* and we dishonour the transaction, a fee will be charged to *your account*.

We may charge interest on any overdrawn amount. Interest will be charged to *your account* on the last day of each *statement period* and on the day that *our* relationship with *you* ends. If, however, the day we debit interest charges is not a *banking day* we may debit interest charges on the preceding *banking day*.

Interest charges are calculated daily from the date *your account* is overdrawn up to and including the date we are paid. Depending on how long before *you* repay the money to *us*, interest may be capitalised at the end of the periods we choose. Please refer to the contact details section at the beginning of this *Product Guide* to find out how to obtain the current interest charges applicable to *your account*.

You may also be charged a fee to reimburse *us* for any costs we incur in the recovery of *our* money.

3.8 Amounts which can be debited to *your account*

You agree that we may debit to *your account* without notifying *you* each drawing *you*, or an *authorised operator*, make or authorise on *your account* and *you* agree to pay *us* fees and charges debited as described in clause 5.1 and any other amount *you* must pay in connection with these *terms and conditions* on the date it becomes due.

3.9 Minimum *deposit balances*

You must ensure that *your account* is maintained consistently with the minimum *deposit balance* described in clause 3.1.2 of these *terms and conditions*, and if *you* do not we will inform *you* and ask *you* to restore the *balance* to the minimum.

Should *your account* fall below the minimum operating *balance* of \$1,000 or have no *balance*, we reserve the right to close the *account*.

3.10 Unused accounts

If *you* do not operate *your account* for 7 years and there is \$500 or more in *your account*, we may be required to transfer *your funds* to the Commonwealth Government.

If *your account* does not meet the minimum operating requirements we have the authority to close *your account*. Please refer to the table on page 7 for the minimum requirements.

3.11 How accounts may be closed or suspended

You or any other *full access operator* may close, or suspend access to, *your account* at anytime through *your adviser*, or if *you* have direct access to *your account* *you* can instruct *us*. If there is more than one of *you*, we will only end *your* relationship with *us* under these *terms and conditions* on request if the request is from all of *you*. Upon *your* request, another financial institution may close *your account* on *your* behalf by mail.

We may exercise *our* discretion to close, or suspend access to, *your account* due to unsatisfactory conduct or for any other reason (e.g. if we reasonably consider it necessary to prevent fraud or other losses to *you* or *us*). If we close *your account*, we will notify *you* as soon as possible.

If *your account* has a *deposit balance* we will pay the *deposit balance* to *you* or as *you* direct.

A cheque form issued under these *terms and conditions* may not be used after *our* relationship has ended and must be immediately returned as soon as we advise *you* that *our* relationship has ended or when *you* request the *our* relationship with *you* end.

If *our* relationship with *you* ends, *your* liabilities (including the obligations to make any payment and *your* liability for any interest charges and fees and charges) continue even if we pay *you* any *deposit balance* in *your account*. If *your account* is in credit when closed, where applicable, any interest will be credited to the *balance*. If any accrued fees or charges, or government charges are due on the *account* up to the closing day, these may be deducted from the *account balance*. *Monthly* fees may still apply where the *account* is closed part way through the *month*. If there are uncleared funds in the *account* we will not make these funds available to *you* until the funds are cleared.

If *your account* has a debit *balance* on closing you must pay us the *balance* owing plus any accrued interest charges, other fees or charges and any government charges applicable to the day of closing.

When you close *your account* you must return to us any unused cheques and any *cards* used to operate the *account* (including any cheques or *cards* issued to an *authorised operator*). An *account* with cheque access may only be closed once all outstanding cheques written on the *account* have been presented. We reserve the right to return any cheques presented for payment after the *account* has been closed.

If you do not meet the minimum requirement of this product we have the ability to close *your account*.

Please note

Before closing an *account*, you should ensure you notify anyone who makes payments to or from *your account*, and cancel any *regular payments* to or from the *account*.

4. Part D – Transaction services

4.1 About the *transaction services*

The *transaction services* are provided directly by us.

To the extent that the *ePayments Code* applies to transactions covered by these *terms and conditions*, these *terms and conditions* reflect the requirements of the *ePayments Code*. The *ePayments Code* is a voluntary *code* that is designed to give you protection in conducting funds transfers through electronic means. The *ePayments Code* does not apply to certain *business accounts* (see clause 4.19 for details).

Cards may usually be used to access any *transaction accounts* to which we have agreed the *card* is linked. The types of electronic transactions that are available using a *card* include ATM withdrawals, transfers, *balance* enquiries, and deposits, EFTPOS payments and withdrawals, *Bank@Post*.

Home Banking Services may usually be used to access *transaction accounts* where we have agreed to make such access available to you. The types of transactions that are available using *Home Banking Services* include *BPAY payments* and deposits, Express Line (telephone banking) transfers and Online Banking transfers and payments (including

AnyPay and BatchPay payments).

Transaction accounts are generally *accounts* which permit the types of electronic transactions referred to above.

4.2 Summary of *transaction services*

You or an *authorised operator* can access *your account* by using certain *transaction services*, depending on the type of *account* you have with us. These services are:

Please note: *Transaction services* are not available to *custodian investors*.

4.3 Applying for transaction services

To use the *transaction services* described in Part D you may need to apply to us by such means as we permit from time to time. The forms you need to use can be sent to you in the post or can be collected from your adviser.

We can accept or decline your application at our discretion.

4.4 How much can you access?

In relation to any *access method*, we may set and vary dollar limits (maximum and minimum) for certain categories of transaction, each transaction within a category, cumulative transactions in a category or combination of categories (either at all or over a specified period of time), or on any other basis we determine. Without limiting the above we may set dollar limits for:

- Cash withdrawals
- Home Banking Service transfers or payments
- All online banking payments including AnyPay and BatchPay to a specified payee or group of payees
- BPAY payments
- Any other type or types of Home Banking Service.

In addition to the above, a limit may be placed on withdrawals made using a *transaction service*:

- Whether in cash or by cheque or otherwise
- Whether by number or amount or otherwise
- Where in relation to a particular period of time or otherwise.

Withdrawals or transfers from your account may only be made in a manner permitted by us. New limits for withdrawals may be introduced in the future. The limits may also be subject to change.

Limits applicable to your account in respect of each *transaction service* are set out in this *Product Guide*. These limits are subject to change from time to time.

4.5 When can you access your account?

The hours during which you can use an *access method* may be varied from time to time without notice.

4.6 Malfunctions

If an *electronic banking device* malfunctions, alternative manual procedures may be available from the merchant for retail point of sale transactions by using a *card* and signing your authorisation of the transaction.

We are not liable for any loss or inconvenience whatsoever, where *electronic equipment* or an *electronic banking device* does not accept a transaction for any reason.

4.7 Authorisation

When a user uses an *access method*, you authorise us to act on the instructions given or entered.

When a user authorises an *EFT transaction* which we accept, we will issue a receipt (which for a Home Banking Service transaction may be an electronic receipt) as required by the *ePayments Code* (to the extent that it applies to the transaction). However, the transaction may not be processed until the next day on which we process such transactions.

4.8 Processing of transactions

Transactions will be processed as soon as practicable.

4.9 Cheques

It is important that you read this general information about cheques, and familiarise yourself with your obligations and responsibilities in relation to the conduct of your account.

If you fail to observe your obligations and responsibilities you will not be able to make a claim in relation to any loss or damage that may occur, and you may be required to indemnify us in respect of any loss or damage.

4.9.1 General information about cheques (excluding bank cheques)

What is a cheque?

A cheque is a written order to a bank to pay a sum of money on demand. Banks provide cheque forms and generally insist on the use of these forms.

Cheque clearing process

In order to provide this convenient facility to you there is a fairly complicated and time consuming process involved, which may take a number of days. You should ask us for an estimate of the time it will take, if you need to know, although the process generally takes three business days.

To help you understand how this works we have set out the process step by step:

- First, *you* deposit into *your account* a cheque *you* have received, then
- We will seek payment of the cheque from the bank on which the cheque is drawn (the two banks could be the same), then
- That bank will pay the proceeds of the cheque to *us*. Only then will funds from the cheque be cleared and made available to *you*.

Normally *you* will not be able to withdraw the value of a cheque *you* deposit until the cheque is cleared, even though *your account* may be credited with the proceeds of the cheque. This rule applies even to cheques made payable to 'cash'.

The process for foreign cheques will generally take 30 *business days*. Please note, that although *you* may be able to withdraw funds after this period passes, the process may not be complete and the cheque may still be dishonoured. If the cheque is dishonoured prior to or after the 20 *business day* period we will reverse the cheque at the applicable exchange rate. If *you* have withdrawn the funds *you* will need to pay the applicable funds back to *us*.

How a cheque may be specially cleared

If *you* want faster clearance of a cheque *you* can ask *us* for a special clearance. *You* should then ask for an estimate of the time it will take and refer to Part E for the cost involved.

Our charge for a special clearance covers the extra administrative costs involved in making a special clearance request to the bank where the cheque *account* is held (including a possible courier charge).

What is the effect of crossing a cheque?

If *you* cross a cheque *you* are telling a bank not to cash it across the counter. The cheque must be paid to a bank (for example into a customer's *account*). If a bank does cash the cheque in favour of someone who is not the true owner, it may be liable for any loss suffered by the true owner.

Crossing a cheque means drawing across the face of the cheque from top to bottom two parallel lines, with or without the words 'not negotiable' between them.

A crossing may be added by *you* when *you* make out a cheque or by any *person* who obtains possession of *your* cheque.

What is the meaning of 'not negotiable'?

The words 'not negotiable' between two parallel lines across the face of a cheque mean that, where the cheque is transferred, the *person* who obtains the cheque has no greater rights than the *person* who transferred it to him or her.

For example, *your* cheque might be stolen and then passed on by the thief to another *person*. That *person* might then obtain payment of the cheque. In this example, if the cheque was crossed and marked 'not negotiable', the *person* from whom the cheque was stolen might recover the amount of the cheque from the *person* who obtains payment of the cheque, even though that *person* may not have done anything wrong.

What is the meaning of 'account payee only'?

These words on a cheque are a warning to a bank with which the cheque is deposited that the cheque should be paid only to the *person* named in the cheque as *payee*.

If that bank pays a different *person*, it may be liable to the true owner unless the bank acted in good faith and without negligence (for example, by making enquiries and receiving a reasonable explanation). The words 'account payee only' do not prevent the transfer of a cheque. However, as a matter of policy, we will not usually accept such cheques into an *account* other than that of the *payee*.

What is the significance of deleting 'or bearer'?

Cheques are generally printed with the words 'or bearer' appearing at the end of the line on which *you* put the name of the *person* to be paid.

The words 'or bearer' mean that (except in cases where the cheque is crossed and must therefore be collected by a bank) the bank on which the cheque is drawn has authority to pay it to any *person* in possession of it, even if that *person* found it or stole it, unless the bank has reason to suspect that the cheque might have fallen into the wrong hands. We generally require that bearer cheques are endorsed if they are to be paid other than to the named *payee*. If *you* wish to alter this position by making the cheque an 'order' cheque, the simplest way is to cross out the words 'or bearer' which are printed on the cheque.

If so desired the words 'to the order of' may also be inserted before the name of the *payee*, but if this is done the words 'or bearer' must still be crossed out.

If a cheque is an 'order' cheque then (except in cases where the cheque is crossed and must therefore be collected by a bank) the bank on which the cheque is drawn should only pay it:

- To the named *payee*, or
- To any other *person* to whom the named *payee*, by endorsing the cheque on the reverse side, has ordered it to be paid.

How and when a cheque may be stopped

You may stop payment on a cheque you have written by notifying us before the cheque is paid by us. Speed is important. You may notify us by telephone. Please ensure all account signatories are available to authorise the stop. Alternatively you may visit any Bendigo Bank branch or send written instructions. You should identify the cheque clearly to us by giving the amount, cheque number, date of the cheque and to whom it is payable.

Reducing the risk of unauthorised alteration

When you write a cheque, you should take care to reduce the opportunity for forgery or fraud. You have a duty to fill out the cheque so as not to mislead us or make it easy for someone else to alter your cheque.

You should:

- Not leave gaps between the words or figures
- Begin the amount in words as close as possible to the left-hand side
- Begin the amount in figures as close as possible to the dollar sign (\$)
- Never write a cheque in pencil or ink that can be rubbed out
- Never sign a cheque before it is used or filled out
- Always write the amount of the cheque in words as well as figures, because words are harder to alter.

Cheques returned unpaid or 'dishonoured'

Your cheque may be returned unpaid or 'dishonoured' in certain circumstances, such as where:

- There is not enough money in your account
- There is some irregularity with your cheque, for example if your cheque is unsigned, is more than 15 months old, is post-dated (i.e. bears a date that has not arrived), or has been materially altered (for example, by a change of the amount originally stated in it) and you have not signed the alteration
- You have instructed us to stop payment of your cheque
- We have received notice of your mental incapacity, or of your death (and certain conditions have been met).

If we dishonour your cheque it means this cheque will not be paid by us.

If a cheque you have deposited is dishonoured, we will advise you of this. We will reduce the balance of your account by the amount of the cheque if it has already been credited to your account.

Lost or stolen cheques

You must notify us as soon as possible of the loss, theft or misuse of your cheques. You can do this by contacting us. If you do not do this, you take the risk of someone forging your signature and drawing cheques on your account.

4.9.2 General information about bank cheques

This clause gives you general information about bank cheques. It is general information only.

What is a bank cheque?

The term 'bank cheque' describes a cheque which is to be paid by the bank itself, rather than from a customer's account.

Bank cheques are generally treated by the law in the same manner as ordinary cheques. Although many people regard bank cheques as cash, you should be aware that in certain circumstances a bank cheque may not be paid by the bank that issues it. To clarify this position, the banks who are members of the Australian Bankers' Association have adopted the procedures set out below in relation to bank cheques.

Forged or unauthorised bank cheques

If the signature of an officer of a bank is forged or placed on a bank cheque without the bank's authority, the bank is not legally liable for it.

Bank cheque materially altered

A bank will dishonour a bank cheque which has been fraudulently and materially altered. A bank will cooperate with any holder of a cheque, or a person who is about to receive it, who may want to verify that the cheque is a valid bank cheque.

Bank cheque reported stolen or lost

Where a bank is told that a bank cheque is lost or stolen and is satisfied that this is the case, the bank will not honour it if it is presented for payment by a person who has no right to it. The bank may provide a replacement bank cheque. The bank may require an indemnity and other documentation in this situation.

Court order restraining payment

A bank must observe an order of a court restraining the bank from paying its bank cheque which is presented for payment while the order is in force.

Failure of payment for the issue of a bank cheque

Where a bank has not received payment for issuing a bank cheque to a customer (for example, the customer's cheque to the bank in payment for the bank cheque is dishonoured), the bank will refuse to pay the bank cheque only if the person presenting the bank cheque for payment:

- Has not given value for it (for example, the bank cheque is stolen)
- Has given value for it but at the time of doing so he or she knew the bank had not been paid for the bank cheque (for example, that the cheque in favour of the bank had been dishonoured).

Again, an indemnity and other documentation may be required in this situation.

4.10 Rules relating to cheques

4.10.1 These terms and conditions apply to any cheque issued by us to enable you or an authorised operator to draw on your account.

- Each cheque issued by us in connection with your account is our property and must be immediately returned to us on demand.
- If the amount in words on any cheque varies from the amount expressed in figures then the lower amount prevails.
- When you draw a cheque on us it will, when the cheque is handed to us:
 - be taken to be a request by you to us to withdraw funds from your account for the amount shown on the cheque
 - constitute an authority to remit those funds to the payee of the cheque or the payee's bank.
- The person signing a cheque must initial any alterations, date the cheque on the date when it was signed and complete all details.
- You must take reasonable care in the management of your affairs to ensure that:
 - only authorised persons sign cheques
 - each cheque is completed properly and with due care so as to prevent unauthorised, stolen, forged or fraudulently altered cheques being presented for payment
 - each cheque is properly and correctly accounted for in your records.
- If, when checking any cheque or particulars of any cheque, we find on it any irregularity or omission, we may dishonour or stop payment of the cheque on your behalf.
- You must keep cheque forms issued to you in a safe place and notify us immediately in writing if they are lost or stolen.
- You must notify us immediately if you suspect your cheque has been forged or fraudulently altered or has been drawn in whole or in part without authority from you.

- On receipt of each *statement of account*, you should check the entries carefully and promptly notify us if you have any cause to suspect that there is any cheque or transaction recorded on the *statement* that is incorrect or that you did not authorise.
- The indemnities contained in clause 4.26 apply to any loss or damage suffered in relation to the matters referred to in clause 4.9.

4.10.2 If you lose, deface or destroy any cheque issued to you or it is stolen or misused then:

- You must notify us of that fact immediately in writing
- You must give us any information or documents we reasonably request in relation to that event.

4.11 Cards

4.11.1 Cashcard access

You can use a Cashcard to access your account.

If you request a Cashcard, you can use your Cashcard and PIN to:

- Withdraw funds and check your account balance at any Bendigo Bank ATM, or at any other ATM displaying the Cashcard sign
- Purchase goods or withdraw funds (in most cases) at more than 18,000 EFTPOS terminals and 28,000 ATMs Australia-wide
- Withdraw funds at any Australia Post outlet displaying the Bank@Post symbol.

Please be aware that your card is magnetically encoded.

If the card is exposed to a strong magnetic field or comes into contact with a plastic security access card, the encoded information may be destroyed. The card may then be unusable as an *electronic banking device*.

4.11.2 Applying for a card

You may apply for a card or request us to issue a card to an authorised operator by such means as we permit from time to time. We may accept or decline any such application or request at our discretion.

Each authorised operator who has been issued a card must use their card on the same terms and conditions as apply to you. You should refer to clause 3.4 for more details in relation to authorised operators.

4.11.3 Receiving a card

When a user's application for a card is approved we will advise the users of their PIN and:

- Where to collect the card in which case the user must attend at that place to collect the card and sign an acknowledgement of receipt of the card
- Subsequently send the card to the user by post.

You should refer to clause 4.18 of this *Product Guide* in relation to our requirements for the security of your PIN.

Things to remember when a user gets a card	
Sign it	Sign the card as soon as it is received
Valid from	A card is only valid from the 'valid from' date shown on it (if any, and if not, from when the card is issued by us) until the 'until end' date shown on it
Who can use a card?	A card must only be used by the person named on it
When will a card transaction be processed?	Transactions that are made using a card are processed as soon as possible
Replacement card	We may issue a replacement card at any time
Lost, defaced, destroyed, misused or stolen card	You or the relevant operator must notify us immediately in relation to any lost, defaced, destroyed, misused or stolen card, either in writing, in person at a branch, or by telephone (in which case written confirmation will be required) and must give us any information or documents we require in relation to that event. See clause 4.11.12 for further details on lost, stolen or misused cards.
Forgotten your PIN?	If you forget your PIN you can contact us with proof of your identity and we will arrange for a new PIN to be issued within a few days

4.11.4 Using a card for purchases

You can use your card to access your account to pay for goods and services, and even withdraw cash at some locations. Your PIN is used to authorise transactions on your account. You can normally use a card to obtain goods and services at merchants (such as shops, restaurants and theatres) in Australia.

EFTPOS simply transfers the value approved by you from your selected account into the account held by the merchant.

Where a transaction that would otherwise be a purchase is processed via an EFTPOS facility you will be able to select the appropriate CHQ or SAV button and then your account (or for a linked account, the account you have nominated to us as being linked to that button) will be debited and the transaction will be treated as a cash withdrawal from the relevant account.

The fact that the EFTPOS symbol is displayed at a merchant's premises does not mean that we guarantee that any or all goods and services available there may be obtained using a card. We are not responsible if a merchant refuses to accept the card, does not allow cash withdrawals or places other limitations on using the card.

We have no control over the hours a merchant may be open for business. The hours during which a terminal will be available may therefore vary in accordance with the merchant's opening hours. We are not responsible for goods or services obtained by using a card, unless the law makes us liable. Therefore, if you have any complaints about goods or services you must take them up with the merchant.

4.11.5 Authorising a payment

It is your responsibility to check that the correct amount is entered in a terminal or written in the 'total' box on a voucher or appears on any other record of a transaction before you authorise the transaction or sign the voucher. Some transactions also need authorisation from us. We may choose not to authorise a proposed transaction (eg. where we reasonably believe a transaction may be fraudulent).

4.11.6 Sales vouchers

You agree that any request by a user to a person authorised to display or use the Cashcard sign for the supply of goods or services is authority for such person to issue a sales voucher for the amount shown on the face of the voucher.

You agree that the amounts shown on each sales voucher are sufficient evidence of the cash price of the goods and services to which the voucher relates (whether or not the voucher is signed by you). We do not have to forward to you copies of sales vouchers for transactions effected by use of a card.

4.11.7 Using a card to obtain cash

To withdraw cash from *your account* at a *branch*, simply present *your card* at the counter. You may be asked to show suitable identification such as a photographic driver's licence or passport to identify that *you* are the authorised holder of the *card*. If *you* do not have *your card*, *you* may still be able to withdraw cash from *your account* at a *branch*, subject to producing suitable identification and any other requirements that we wish to impose. The amount of cash *you* can withdraw from a *branch* is subject to the amount of cleared funds in the *account*.

If *you* want to withdraw more than \$5,000 from a *branch* *you* will need to give *us* notice of at least 24 hours prior to the withdrawal.

You may, subject to available funds in *your account*, obtain cash from an *account* up to the withdrawal limit set for the *account* by using a *card* in combination with *your PIN* at any of *our electronic banking devices* or any *electronic banking devices* of any other institution displaying the relevant symbol. Some merchants who have an *electronic banking device* may also allow *you* to withdraw cash from an *account* at the same time as *you* pay for goods and services.

You can withdraw cash from an *account* with *us* using *Bank@Post*. *You* may be asked to enter *your PIN* into an *electronic banking device* to make a *Bank@Post* transaction.

The amount of cash *you* can obtain using a *card* may vary depending on where *you* use the *card*.

Withdrawals made using ATMs, via EFTPOS and through *Bank@Post* are currently subject to a combined daily withdrawal limit of \$1,000.

The cash withdrawn from an *electronic banking device* will be in the denominations that the *electronic banking device* allows. When the money comes out of the *electronic banking device* it is at *your risk* and we are not responsible if it is lost or stolen. We do not warrant that an *electronic banking device* will always have money available. Other financial institutions can determine from time to time what transactions can be carried out at their *electronic banking devices*. We may charge *you* a fee for using *our electronic banking device* or someone else's *electronic banking device*. Please refer to clause 5.1 for the fees and charges applicable to *your account*. *You* must not put any matter or substance of an explosive, dangerous, damaging or offensive nature in an *electronic banking device*.

4.11.8 Refunds

Your account will only be credited with a refund for a *card* transaction if we receive a refund voucher or other refund verification acceptable to *us*. A refund due to *you* will be applied to *your account* as if the refund were a payment. Please note that this sub-clause applies to refunds only and does not apply to any readjustment of the *balance* of an *account* as a result of an unauthorised transaction where *you* are not liable. Please refer to Part D of this *Product Guide* for those readjustments.

4.11.9 Use of a card

For the purposes of these *card terms and conditions* 'use' in relation to a *card* includes any physical use of the *card* (such as in an ATM) and any notification of use of the *card* number or any identifying number issued by *us* in relation to the *card* or an *account*.

4.11.10 Cancellation, return, loss and misuse of cards

We may at *our* option or at *your* request suspend or cancel the use of a *card* or retain a *card* presented to *us* or any other *person*.

A *card* issued in respect of an *account* must not be used after the *account* is closed or after the use of the *card* has been suspended or cancelled, and must be immediately returned as soon as we advise *you* the *account* is closed or the *card* use has been suspended or cancelled or *you* request that the *account* be closed or the *card* use be suspended or cancelled.

4.11.11 Return of cards

Each *card* issued by *us* is *our* property and must be immediately returned to *us* on demand. *You* should refer to clause 3.4.8 of this *Product Guide* for details of what *you* must do if *you* are unable to return to *us* a *card* issued to an *authorised operator*.

4.11.12 Lost, stolen, misused or unauthorised use of cards

It is vitally important for *you* to contact *us* as soon as possible if:

- A *card* is lost or stolen
- Someone has fraudulently placed a telephone, internet or direct mail order against *your card*
- *You* suspect that a *PIN* is known to someone else or *you* suspect any unauthorised telephone, internet or mail use of an *account* or other type of unauthorised use involving a *card*.

Immediate notification may prevent an unauthorised person from using your card. If you do not tell us that your card has gone missing or if you disclose the PIN to someone else or leave a record of it with your card or act with carelessness in failing to protect PIN security, you may be liable for the bill arising from an unauthorised use of your account. For this reason, it is extremely important that you do not leave a record of your PIN either with your card or in a place where it can be easily found. However, you are not liable for losses resulting from an unauthorised transaction if that transaction took place after you notified us of the loss or theft of your card or where a card and PIN are used if it is clear that you did not contribute to such losses.

You should refer to clause 4.18 of this Product Guide for our requirements for the security of your PIN and other codes and in relation to your liability.

You will need to give us all relevant information you may have, so that we can suspend card access to the account and linked accounts. You may be required to confirm in writing any notice you give us by telephone. When you report the matter you may be given a notification number (or other form of acknowledgment). You should retain that number as confirmation of the date and time of your report.

If you recover a card that has been reported lost or stolen, the card must not be used again. Instead you should report the recovery to us. The card should then be cut in half and sent to us by security post.

4.12. Home Banking Services (including BPAY)

4.12.1 Applying for Home Banking Services

You may apply for access to your account for you or an authorised operator using Home Banking Services by such means as we permit from time to time. The Home Banking Services available to you will be determined by us from time to time.

Each authorised operator who has Home Banking Service access must use the Home Banking Services on the same terms and conditions as apply to you. You should refer to clause 3.4 of this Product Guide for more details in relation to authorised operators.

Contact us to apply to access your account via any or all of our Home Banking Services.

We may accept or decline any such application at our discretion.

Some Home Banking Services may not be available where more than one signature is needed to operate your account.

4.12.2 Equipment for Home Banking Services

You need to supply and maintain your own equipment to use our Home Banking Services, including any electronic equipment and software necessary to enable you to use Online Banking or Express Line (telephone banking), which may include continuance of an account with a telecommunications network provider.

Customers using Online Banking are encouraged to take all reasonable steps to protect the security of their electronic equipment by ensuring that it is free from viruses and/or any form of program or mechanism capable of recording personal information.

4.12.3 Online Banking Password (OBP) and Personal Access Code (PAC)

When an application for access to an account via a Home Banking Service is approved, we will advise the user of their Online Banking Password (OBP) and/or Personal Access Code (PAC). The user will be issued an OBP for Online Banking and/or a PAC for Express Line (telephone banking).

Things to remember about your OBP/PAC

Lost, stolen or misused OBP/PAC or OBP/PAC disclosed to another person

If you or an authorised operator lose your OBP/PAC or have any reason to believe that it has been lost, stolen, misused or disclosed to another person, you or the relevant authorised operator must notify us immediately either in writing, in person at a branch, or by telephone (in which case written confirmation will be required) and must give us any information or documents we reasonably require in relation to that event.

Forgotten your OBP/PAC?

If you or an authorised operator forget your OBP/PAC, you or the relevant authorised operator can contact us with proof of your identity and we will arrange for a new OBP/PAC to be issued as soon as possible.

Things to remember about your OBP/PAC

Where a new OBP is requested, or we reissue or change an OBP (which we may do at any time by notifying the user), then we may deliver the OBP to the user by SMS (short message service) to the user's mobile telephone or via an automated telephone service.

Where a new *PAC* is requested, or we reissue or change a *PAC* (which we may do at any time by notifying the *user*), then we may post or deliver the *PAC* to the *user* or require the *user* to collect it.

You should refer to clause 4.18 for more information on the security of your *OBP/PAC*.

4.12.4 Use of Home Banking Services

Using their customer number, *OBP* and *electronic equipment* with internet access, a *user* can have access to Online Banking to:

- Pay bills using *BPAY*
- Check *your account balances*
- Transfer funds between *your accounts* with us
- View and print transaction records
- Make payments to other bank accounts by using AnyPay or send multiple payments (for example, by using BatchPay)
- Download/export *your* transaction data into other formats if needed
- Order *your* Adelaide Bank cheque books when required
- Reconcile *your* records with *your account balances*, *your* transactions and the amount of interest for the financial year.

If a *user* accesses Online Banking using *mobile banking* the *user* can access Online Banking to:

- Pay bills using *BPAY*
- Check *your account balances*
- Transfer funds between *your accounts* with us
- View transaction records
- Make payments to other bank accounts by using AnyPay to existing AnyPay payees only
- Reconcile *your* records with *your account balances* and *your* transactions.

- Verify the *balance* of *your accounts*
- Pay bills using *BPAY*
- Transfer funds between *your accounts* with us
- Review *your* last transactions
- Reconcile *your* records with *your account balances*, *your* transactions and the amount of credit and debit interest for the financial year.

Online Banking should only be accessed through *our* homepage at www.adelaidebank.com.au. Failure to check this may cause *you* loss.

We do not have to accept any *Home Banking Service* instruction given to *us* and we do not have to notify a *user* if we have not accepted such an instruction.

We will make reasonable efforts to ensure that any request made through a *Home Banking Service* is dealt with promptly.

Except as provided in clause 4.13.8 we are under no obligation to notify *you* or an *authorised operator* if any *Home Banking Service* payment is successful or unsuccessful. However, this sub-clause does not limit *our* obligation to provide a receipt where this is required by the *ePayments Code*.

You must ensure that *your account* from which a transfer or payment is to be made has sufficient available funds to enable the transaction to be performed by *us*.

Where we have instructions for more than one transfer or payment from *your account* we may determine the order of priority in which transfers or payments from *your account* are made.

4.12.5 Misuse or unauthorised use of Home Banking Services

We will accept and act on *Home Banking Service* instructions where a *person* or *persons* enter or quote:

- A *user's* customer number or, if required by *us*, a combination of customer numbers
- The appropriate *OBP/PAC* (whether or not disguised using an alphabetical security coding as notified by *us* to the *person* at the time) or, if required by *us*, a combination of *OBP/PACs* (whether or not so disguised).

Subject to any contrary *terms and conditions* in this *Product Guide*, any transfer or payment of funds made in the circumstances described in this sub-clause will be valid and constitute a permissible debit to the relevant *account*.

4.12.6 Suspension or cancellation of Home Banking Services

We may suspend or cancel a *user's OBP/PAC* or access to any or all *Home Banking Services* at any time without notice. We will cancel an *authorised operator's* access to any *Home Banking Service* on receipt of a written request by *you*. In the case of suspension, we may reinstate a *user's OBP/PAC* at any time without notice. We may also require the *user* to contact *us* before we reinstate a *OBP/PAC* or access, but we are not obliged to do this.

4.13 BPAY and our online banking payment service

BPAY enables customers to transfer payments to other parties via a central interbank processing system as cleared effects.

We are a member of BPAY.

With BPAY payments, you can (subject to any restrictions we impose) have 24 hour 7 day access through Home Banking Services or any other electronic means that we permit and a biller accepts to pay bills and get a receipt.

We are a biller. You may also be able to transfer funds from an account you have at another financial institution which is a member of BPAY, to an account with us, through BPAY.

We will tell you if we are no longer a member of BPAY.

Our online banking payment service is our internet payment service including AnyPay and BatchPay:

- AnyPay allows an AnyPay user to debit their account and credit monies to another bank account
- BatchPay allows a user to make multiple payments to registered recipient accounts held with various financial institutions with only one debit being made from the nominated account.

4.13.1 Access to online banking payment service

Before we agree to allow you access to the online banking payment service for any payee we may require you to make an application to us regarding that payee in the form and containing such information as we require. We are under no obligation to agree to any or all payees nominated in any such application and we may make available payees who are not listed in any such application. We may suspend or terminate access to any payee at any time without notice.

We are under no obligation to check or confirm the identity of payees or other information provided about them (including their account number for receipt of payments).

You should note that if funds are sent to an incorrectly quoted account number then it may not be possible to retrieve those funds.

4.13.2 Information needed to use BPAY

When you tell us to make a BPAY payment, you must give us the following information:

- The biller code which is located on the bill you wish to pay
- Your customer reference number with the biller code

- How much you want to pay
- Any other additional information we may require.

Once this information is received, we will debit your account with the amount of the BPAY payment as set out in clause 4.13.3.

You acknowledge that we are not obliged to effect a BPAY payment if we do not receive this information or the information is inaccurate.

4.13.3 When will a BPAY payment or online banking payment be received

- a. You may authorise a BPAY payment or an online banking payment from your account:
 - i. With the funds to be drawn immediately in which case your account will be debited immediately; or
 - ii. Through Online Banking, with the funds to be drawn on a future specified date in which case your account will be debited on that future date. If that future date is not a business day:
 - the funds will be debited on the business day immediately preceding the nominated future date; or
 - if after the date of authorisation and before the nominated future date there is no business day, the funds will be debited on the next business day after the nominated future date.
- b. For an online banking payment, regardless of the effective date (as determined by the terms and conditions of the account) on which you authorise funds to be drawn from an account, if:
 - i. The day on which funds are drawn is a business day and the authorisation is complete:
 - before 4.00 pm CST then the payment to the payee will generally be received by the payee on the next day that the Bulk Electronic Clearing System (BECS) is operating in the State or Territory where the payee's account is located; or
 - after 4.00 pm and before midnight CST then the payee's account will generally receive the payment one business day later than if the authorisation had been completed before 4.00 pm – more precisely, the payee's account will generally receive the payment on the first day that BECS is operating in the State or Territory where the payee's account is located occurring immediately after the first business day after the calendar day on which funds are drawn;

- ii. Funds are to be drawn immediately and that day is not a *business day* then the *payee's account* will generally receive the payment on the first day that BECS is operating in the State or Territory where the *payee's account* is located occurring immediately after the first *business day* after the day on which funds are drawn;
 - iii. Funds are to be drawn on a future date and that future date is not a *business day*, then the *payee's account* will generally receive the payment on the first day that BECS is operating in the State or Territory where the *payee's account* is located occurring immediately after the date of the debit under clause 4.13.3(a)(ii).
- c. For a *BPAY payment*, regardless of the effective date (as determined by the *terms and conditions* of the *account*) on which you authorise funds to be drawn from *your account* and subject to the fact that a payment may take longer to be credited to a *biller* if you tell us to make the payment on a Saturday, Sunday or public holiday, or if another participant in *BPAY* does not process a payment as soon as they receive its details, if:
- i. The day on which funds are drawn is a *BPAY day* and the authorisation is completed:
 - before 4.00 pm CST then the *biller* has agreed that the payment will be treated as received by the *biller* on that day;
 - after 4.00 pm and before midnight CST then the *biller* has agreed that the payment will be treated as received by the *biller* on the next day that is a *BPAY day*;
 - ii. Funds are to be drawn immediately and that day is not a *BPAY day*, then the *biller* has agreed that the payment will be treated as received by the *biller* on the next day that is a *BPAY day*;
 - iii. Funds are to be drawn on a future date and that future date is not a *BPAY day*, then the payment will generally be treated as received by the *biller* on the first *BPAY day* occurring on or after the date of the debit under subclause 4.13.3(a)(ii).

4.13.4 *BPAY payments may be delayed*

A delay may occur in processing a *BPAY payment* where:

- There is a public or bank holiday on the day after you tell us to make a *BPAY payment*
- You tell us to make a *BPAY payment* on a day which is not a *BPAY day*
- You tell us to make a *BPAY payment* after 4.00 pm CST on a *BPAY day*
- Another financial institution participating in *BPAY* does not comply with its *BPAY obligations*
- A *biller* fails to comply with its *BPAY obligations*.

While it is expected that any delay in processing of a *BPAY payment* for any reason set out in this sub-clause will not continue for more than one *BPAY day*, any such delay may continue for a longer period.

We will attempt to make sure that *your BPAY payments* are processed promptly by participants in *BPAY*.

4.13.5 Variation of *BPAY* and online banking payment instructions

Any *online banking payment service* or *BPAY* instruction for funds to be drawn on a future date may be varied or revoked by any *person* who has complied with clause 4.12.3 where the new instruction is given and received by us prior to the *account* being debited. Payments cannot be edited after 11.30am CST on the *payment date*. We will act on such new instruction as if it had been given by you. Otherwise, once we are instructed to make such a payment, we will not accept instructions to stop or vary an *online banking payment* or *BPAY payment* or to withdraw or vary an instruction to make such a payment.

4.13.6 Errors in your *BPAY payment instructions to us*

You should notify us immediately if you become aware that you may have made a mistake (except when you make an underpayment – for those errors see next paragraph) when instructing us to make a *BPAY payment*, or if you did not authorise a *BPAY payment* that has been made from *your account*. Clause 4.14 describes when and how we will arrange for such a *BPAY payment* to be refunded to you.

You must be careful to ensure that you tell us the correct amount you wish to pay. If you instruct us to make a *BPAY payment* and you discover later that the amount you told us to pay was less than the amount you needed to pay, you can make another *BPAY payment* for the difference between the amount actually paid to a *biller* and the amount you needed to pay.

4.13.7 No authorisation

You are not *authorised* to give a *biller* code to any person in order to receive payments of any amount owing to you. *Biller* codes may only be used by the *authorised biller* to receive payment of bills issued by that *biller*. The *terms and conditions* of the use of *BPAY* will not apply to any use by you of *biller* codes in this way.

4.13.8 Other important points about BPAY

If we are advised that your *BPAY* payment cannot be processed by a *biller* we will advise you of this, credit the relevant *account* with the amount of the *BPAY* payment and take all reasonable steps to assist you in making the *BPAY* payment as quickly as possible.

You acknowledge that the receipt by a *biller* of a mistaken or erroneous *BPAY* payment does not or will not constitute under any circumstances part or whole satisfaction of an underlying debt owed between you and that *biller*.

You should check your *account* records carefully and must promptly notify us as soon as you become aware of an unauthorised or erroneous *BPAY* payment, any mistake or delay in processing a *BPAY* payment or the possibility that you have been fraudulently induced to make a *BPAY* payment.

4.13.9 Suspension and termination of access to BPAY

We may suspend your right to participate in *BPAY* at any time where we have suspended or cancelled your *OBP/PAC* or your access to any *Home Banking Service* or if you or someone acting on your behalf is suspected of being fraudulent.

4.13.10 Privacy and BPAY

You agree to us disclosing to *billers* nominated by you and if necessary the entity operating *BPAY* (*BPAY* Pty Ltd) or any other participant in *BPAY* and any agent appointed by any of them from time to time, including *Cardlink Services Limited*, that provides the electronic systems needed to implement *BPAY*:

- Such of your personal information (for example your name, email address and the fact that you are our customer) as is necessary to facilitate your registration for or use of *BPAY*
- Such of your transactional information as is necessary to process your *BPAY* payments. Your *BPAY* payments information will be disclosed by *BPAY* Pty Ltd through its agent to the *biller's* financial institution.

If your personal information detailed above is not disclosed to *BPAY* Pty Ltd or its agent, it will not be possible to process your requested *BPAY* payment.

You must notify us if any of your personal information changes. You consent to us disclosing your updated personal information to all other participants in *BPAY* referred to in this clause as necessary.

4.14 Liability and indemnity BPAY

This clause sets out information about liability and *BPAY*. You should also refer to clauses 4.22, 4.23, 4.24 and 4.25 for further information about liability.

4.14.1 Limitation of your liability if ePayments Code applies

If you are liable under this clause 4.14 for an unauthorised or fraudulent payment made on or after 1 April 2002 and the *ePayments Code* applies, then your liability will not exceed the amount determined according to clause 4.23.

In these circumstances we will be liable to you for the difference between the amount for which you are otherwise liable and the amount of the unauthorised or fraudulent payment.

This clause 4.14 also applies if your *account* is a *business account*.

4.14.2 Mistaken payments, unauthorised transactions and fraud

We will attempt to make sure that your *BPAY* payments are processed promptly by the participants in *BPAY*, including those *billers* to whom your *BPAY* payments are to be made. You must tell us promptly if:

- You become aware of any delays or mistakes in processing your *BPAY* payment
- You did not authorise a *BPAY* payment that has been made from your *account*
- You think that you have been fraudulently induced to make a *BPAY* payment.

We will attempt to rectify any such matters in relation to *your BPAY payment* in the way described in this clause. However, except as set out in this clause 4.14, we will not be liable for any loss or damage *you* suffer as a result of using *BPAY*. The longer the delay between when *you* tell *us* of the error and the date of *your BPAY payment*, the more difficult it may be to perform the error correction. For example, *we* or *your biller* may not have sufficient records or information available to *us* to investigate the error. If this is the case, *you* may need to demonstrate that an error has occurred, based on *your* own records, or liaise directly with the *biller* to correct the error.

4.14.3 Mistaken payments

If a *BPAY payment* is made to a *person* or for an amount which is not in accordance with *your* instructions (if any), and *your account* was debited for the amount of that payment, *we* will credit that amount to *your account*. However, *you* must pay *us* that amount if *you* were responsible for a mistake resulting in that payment and *we* cannot recover the amount of that payment from the *person* who received it within 20 *BPAY days* of *us* attempting to do so.

4.14.4 Unauthorised payments

If a *BPAY payment* is made in accordance with a payment direction which appeared to *us* to be from *you* or on *your* behalf but for which *you* did not give authority, *we* will credit *your account* with the amount of that unauthorised payment. However, *you* must pay *us* the amount of that unauthorised payment if the payment was made as a result of a payment direction which did not comply with *our* prescribed security procedures for such payment directions and *we* cannot recover within 20 *BPAY days* of *us* attempting to do so that amount from the *person* who received it.

4.14.5 Fraudulent payments

If a *BPAY payment* is induced by the fraud of a *person* involved in *BPAY*, then that *person* should refund *you* the amount of the fraud-induced payment. However, if that *person* does not refund *you* the amount of the fraud-induced payment, *you* must bear the loss unless some *person* involved in *BPAY* knew of the fraud or would have detected it with reasonable diligence, in which case that *person* must refund *you* the amount of the fraud-induced payment.

4.14.6 Resolution principles

If a *BPAY payment* *you* have made falls within the type described in clause 4.14.4 and either 4.14.3 or 4.14.5, then *we* will apply the principles stated in clause 4.14.4.

If a *BPAY payment* *you* have made falls within both types described in clause 4.14.3 and 4.14.5 then *we* will apply the principles stated in clause 4.14.5.

4.14.7 Information we need about unauthorised BPAY payments

If *you* tell *us* that a *BPAY payment* made from *your account* is unauthorised, *you* must give *us* your written consent addressed to the *biller* who received that *BPAY payment*, agreeing to *us* obtaining from the *biller* information about *your account* with that *biller* or the *BPAY payment*, including *your* customer reference number and such information as *we* reasonably require to investigate the *BPAY payment*. If *you* do not give *us* that consent, the *biller* may not be permitted under law to disclose to *us* the information *we* need to investigate or rectify that *BPAY payment*.

4.14.8 Indemnity – BPAY

You indemnify *us* against any loss or damage *we* may suffer due to any claim, demand, or action of any kind brought against *us* arising directly or indirectly because *you*:

- Did not observe any of the *user's* obligations under the *terms and conditions* dealing with the use of *BPAY* and *BPAY payments*
- Acted negligently or fraudulently in connection with the agreement relating to the use of *BPAY* and making *BPAY payments* constituted by these *terms and conditions*.

4.14.9 Consequential damage – BPAY

This sub-clause does not apply to the extent that it is inconsistent with or contrary to any applicable law or code of practice to which *we* have subscribed. If those laws or that code would make this sub-clause illegal, void or unenforceable or impose an obligation or liability which is prohibited by those laws or that code, this sub-clause is to be read as if it were varied to the extent necessary to comply with those laws or that code or, if necessary, omitted.

We are not liable for any consequential loss or damage *you* suffer as a result of using BPAY, other than due to any loss or damage *you* suffer due to *our* negligence or in relation to any breach of a condition or warranty implied by law in contracts for the supply of goods and services and which may not be excluded, restricted or modified at all or only to a limited extent.

The *direct debit account* *you* wish to make deductions from must be one that has funds available 'at call'. *You* should note that *regular payments* may not be available on all *accounts*. If in doubt, please refer to the *ledger financial institution*.

Please note that *you* will be unable to access the amount of a *regular payment* we make for *you* from a *direct debit account* for three *business days* from the *payment date*.

We may, subject to any restrictions on the operation of the *account*, accept an instruction relating to *regular payments* from an *authorised operator*. Any such instruction is subject to these *terms and conditions* as if the instruction had been given by *you*. *You* should refer to clause 3.4 for more information about *authorised operators*.

4.15.2 Fixed amount payment option

For all *regular payments* *you* can choose to have a fixed amount transferred weekly, fortnightly or *monthly*. The deduction amount will be the amount nominated by *you* and will be deducted at the frequency nominated by *you*. The *regular payment* and periodical payment options have the extra flexibility of quarterly, half-yearly or yearly deductions.

Once *you* authorise *us*, we will arrange for the agreed amount to be debited from the nominated *direct debit account* and paid in accordance with *your* request.

4.15.5 Sufficient funds must be available

For an automatic deduction or a periodical payment, *you* must agree to have a minimum *available balance* or *available credit* in *your direct debit account* from which the *regular payment* is to be made. The minimum *available balance* or *available credit* must be equal to the deduction amount plus charges not posted to the *direct debit account* plus any minimum *balance* required to be maintained in the *direct debit account*. This amount must be held in the *direct debit account* by 5.00pm CST on the *banking day* immediately preceding the day on which the deduction is to occur and *you* must retain such minimum *balance* in *your direct debit account* until the deduction has occurred.

4.15.6 The payment date

For a *regular payment*, where the *payment date* is the 29th, 30th or 31st day of a *month*, if a *month* that does not contain these days, then we will make the payment or transfer on the first day of the next *month*. Where the *payment date* is not a *banking day* or if some financial institutions are not open for business on that day, then we will make the payment or transfer on the next *banking day* or when the financial institution is next open for business. For further information about when an automatic deduction will be debited to the *account*, you should contact the *ledger financial institution*.

For an automatic deduction and a periodical payment, where the day of deduction is not a *banking day* your deduction will occur on the preceding *banking day*.

4.15.7 Debiting your account

For a *regular payment* plan, you authorise the *ledger financial institution* to debit the *direct debit account* with any amounts that we may debit or charge you through the *direct debit system*. Information in relation to you, your *account* and the *regular payment* may be disclosed by us to the *ledger financial institution* in connection with a claim relating to a *regular payment*. Information in relation to your *direct debit account* may be disclosed by the *ledger financial institution* to us in connection with a claim in relation to a *regular payment*.

4.15.8 Deductions

All *regular payments* we make for you either from or to your *account* or *direct debit account* are treated as payments to you or by you.

4.15.9 Deduction amount may be changed by us

Where the *direct debit account* is with another financial institution, we may change the deduction amount through the *direct debit system*.

4.15.10 Stopping or cancelling your regular payments

When you have authorised us to make a *regular payment* either from or to your *account* or *direct debit account* and you want to cancel the *regular payment*, you must advise us in writing at least 2 *business days* prior to the next *payment date*.

You should direct all requests to stop, cancel, defer or vary a *regular payment* and all disputes to us. We also suggest that the same instruction is made in writing to the *payee*.

Cancellation will only take effect when we have processed your request. We will promptly process your request.

4.15.11 Changing your regular payments

You may change a *regular payment* by filling in a new application form which can be sent to you in the post.

Any signature restrictions on your *account* may apply to the authorisation of a *regular payment*. After we have received the application form, we require 2 *business days* to process the change. You must advise us in writing of the change at least 2 *business days* prior to the next *payment date*.

We will provide you with at least 14 days notice if we intend to vary *terms and conditions* of the direct debit request service agreement.

4.15.12 Terminating your regular payment

Any arrangement in relation to a *regular payment* will be terminated without notice to you if we decide, or the *payee* advises us, that no further payment is required.

We may at our discretion terminate any arrangement relating to a future *regular payment* at any time by notice in writing to you.

A request for a *regular payment* will remain effective for the protection of us in respect of *regular payments* made in good faith notwithstanding your death, bankruptcy, insolvency or revocation of any request for the *regular payment*. If we receive written notice that you have died or become bankrupt or *insolvent* or revoke your request, the *regular payment* will be cancelled once the notice is processed. This provision does not apply to a direct debit request.

4.15.13 Fees for regular payments

We may charge you a fee for effecting *regular payments*. For a direct debit request and a *regular payment* plan, we may also charge you a fee if a direct debit or automatic deduction is returned unpaid by the *ledger financial institution*. Please refer to Part E for details of fees and charges that apply to *regular payments*.

4.15.14 Ensuring accuracy of regular payments

To ensure accuracy for an auto payment plan, you should confirm *direct debit account* details by reference to a recent *account statement* issued by the *ledger financial institution*.

Before you arrange a *regular payment* to someone else check that they are able to receive the *regular payment* and that you are able to make a *regular payment* from your account with us.

4.15.15 Order of priority of payments

For a *regular payment* plan, the *ledger financial institution* may in its absolute discretion conclusively determine the order of priority of payment by it of any monies, pursuant to this or any other authority or withdrawal request which you have given or may give to the *ledger financial institution* in relation to your *direct debit account*.

For an automatic deduction and a periodical payment, we may at our absolute discretion conclusively determine the order of priority of payment by us of any monies, pursuant to this or any other authority or withdrawal request which you have given or may give to us in relation to your account.

4.15.16 Liability for loss

For all *regular payments* we are not responsible or liable for any loss or damage suffered by you or anyone else if a *regular payment* is not made, is late, or is not made in accordance with instructions.

4.15.17 Inconsistency

For a periodical payment and an automatic deduction, where there is an inconsistency between these conditions and the *terms and conditions* on any application form or other document(s) in relation to a *direct debit account* the *terms and conditions* on that application form or other document will prevail.

For the purposes of this sub-clause, 'conditions' means the *terms and conditions* in this *Product Guide* as amended from time to time or any *terms and conditions* adopted in substitution and where the context permits includes all other conditions (including any conditions appearing on an application form) relating to a direct debit request authority and an automatic deduction authority.

4.15.18 What are third party direct debits?

Third party direct debits allow you to arrange with a third party (such as your health fund) for that third party to debit amounts directly from your account on your behalf. You will need to apply to the third party to arrange a third party direct debit, and this arrangement is between you and the third party.

4.15.19 Third party direct debits

All third party direct debits made from your account are treated as payments by you. Before you arrange a third party direct debit you must check that you are able to make the direct debit from your account held with us.

When arranging a third party direct debit, you should also ensure your account details are correct by reference to a recent *account statement* issued by us.

A third party direct debit can be made provided there are sufficient funds in your account. We may charge you a fee for processing a third party direct debit. Such fee will be deducted from the account from which the debit is made at or after the time the debit is made. In the case of you having insufficient funds in your account, we may dishonour the third party direct debit and you may incur a fee. Please refer to Part E for details of the fees and charges that apply to third party direct debits.

You must check your account statement and notify us as soon as possible if you think that an amount debited to your account by a third party was unauthorised or incorrect. Any complaint that you have in relation to an unauthorised or otherwise irregular third party direct debit can be made by contacting us. We will promptly process your request. You should also contact the relevant third party in relation to any disputed amounts.

You may cancel a third party direct debit at any time by giving written notice to us.

You must advise us in writing at least 2 business days prior to the next payment date to ensure your next payment is not processed. Cancellation is not effective until we have processed your request. We also suggest that the same instruction be made in writing to the third party.

You should be aware that there is a risk that the third party may continue to debit amounts from your account even after you have cancelled the third party direct debit.

Without limiting any other provision in these terms and conditions, if you arrange a third party direct debit you agree to indemnify and release us from all liability which we may incur if a third party direct debit is not made, a third party direct debit is made late or is not made in accordance with your instructions or a cancellation request is given too late to enable a third party direct debit to be cancelled.

You authorise us to debit your account with the amount of the indemnity. This indemnity and release will not apply to the extent that the liability is caused or contributed by fraud, wilful default or a negligent act or omission on our part.

We may at our absolute discretion conclusively determine the order of priority of payment by us of any monies pursuant to any third party direct debit authority given by you in relation to your account.

4.16 Deposits

4.16.1 Where are deposits accepted?

Deposits of cash and cheques may be made at:

- A *branch*
- Some of *our electronic banking devices*
- Post offices displaying the *Bank@Post* symbol using *your Cashcard*.

Other parties may also make a deposit to *your account* via various electronic and other means available to them. When advising another party to credit *your account* you will need to provide them with *our* BSB number (610-101) and *your* direct debit/credit number (as shown on *your statement of account*).

4.16.2 Deposits into *your account*

Cheques deposited to *your account* are not available to be drawn against until the funds have been cleared and paid. If *you* wish to dispute the amount of a cash or cheque deposit recorded into *your account*, contact *us* with *your* deposit receipt. We will make any necessary adjustments to the *account* once we have verified the amount that was deposited. *You* must pay in Australian dollars in Australia (it is not possible to make payments overseas).

For an *EFT transaction* which is a deposit of cash or a cheque into an *account* such deposit is subject to receipt and subsequent verification by *us* and where there is a discrepancy between the amount recorded by the *electronic equipment* or *access method* as having been deposited and the amount recorded by *us* as having been received, *you* will be notified of the difference as soon as possible and will be advised of the actual amount which has been credited to the nominated *account*. The security of deposits received at *our equipment* is *our* responsibility from the time the *EFT transaction* at *our equipment* is completed (subject to verification of the amount(s) deposited).

4.16.3 Deposits via direct debit

Any request for a direct debit must be signed by the end client/*account* holder. Only where the end client/*account* holder has signed the original application can a direct debit request be accepted and processed. Both *account* names (*account* being debited and Adelaide Bank *account* being credited) must be held in the same name. This form must be signed by *you* or *your* power of attorney. Authorisation given by companies must be signed in one of the following ways:

- by two directors of the company
 - by a director and by a secretary of the company
 - for a proprietary company that has a sole director who is also the sole company secretary – by the director
 - by a duly authorised attorney
 - under seal (if required). *Accounts* held jointly must be signed by, or on behalf of, all *account* holders.
- We may vary any details of this agreement or direct debit request at any time by giving *you* at least fourteen (14) days written notice. *You* may change, stop or defer a debit payment, or terminate this agreement by providing *us* with at least 14 days notification by writing to *your adviser* or *us*.
 - Direct debit dishonour may occur where both *accounts* are not held in the same name. Direct debit dishonour will occur where funds are not cleared and available in the corresponding institution. Direct debit dishonour fees may be charged by the corresponding institution where funds are not cleared and available or where *accounts* vary in name.
 - The *account* will only generate interest from the day the funds are deposited (please allow minimum 3 days).
 - If the debit day falls on a day that is not a *banking day*, we may direct *your* financial institution to debit *your account* on the following *banking day*. If *you* are unsure about which day *your account* has or will be debited *you* should ask *your* financial institution.
 - It is *your* responsibility to ensure that there are sufficient cleared funds available in *your account* to allow a debit payment to be made in accordance with the direct debit request. If there are insufficient clear funds in *your account* to meet a debit payment:
 - *you* may be charged a fee and/or interest by *your* financial institution
 - *you* may also incur fees or charges imposed or incurred by *us*
 - *you* must arrange for the debit payment to be made by another method or arrange for sufficient clear funds to be in *your account* by an agreed time so that we can process the debit payment
 - *you* should check *your account statement* to verify that the amounts debited from *your account* are correct.

You should check:

- with *your* financial institution whether direct debiting is available from *your account* as direct debiting is not available on all accounts offered by financial institutions
- *your account* details which *you* have provided to *us* are correct by checking them against a recent *account statement*; and with *your* financial institution before completing the direct debit request.
- We will keep any information (including *your account* details) in *your* direct debit request confidential. We will make reasonable efforts to keep any such information that we have about *you* secure and to ensure that any of our employees or agents who have access to information about *you* do not make any unauthorised use, modification, reproduction or disclosure of that information.
We will only disclose information that we have about *you*:
 - to the extent specifically required by law
 - for the purposes of this *agreement* (including disclosing information in connection with any query or claim).
- We will also accept and promptly process any complaint from *you* that a direct debit payment transaction was unauthorised or irregular. In the case of direct debit transaction, again, we may suggest that *you* also contact the debit user.

4.16.4 Lost deposits

To the full extent permitted by law we are not liable for any loss (including consequential loss arising from *our* negligence) arising from the loss or theft of any cheque, payment order, bill of exchange or bank draft deposited with *us*. In addition to other rights, we may recover the amount of any such cheque, payment order, bill of exchange or bank draft by debiting an *account* to which the amount of the cheque, payment order, bill of exchange or bank draft had been credited. If we do, we will notify *you* as soon as possible.

4.17 Safeguarding payment instruments

You should safeguard payment instruments such as *cards*, cheques and bank cheques. Subject to clauses 4.11.10, 4.11.11, 4.11.12 and 4.23 *you* will be liable for all transactions arising from the use of a payment instrument until *you* have advised *us* of its loss, theft or misuse. If any of the above payment instruments are lost, stolen or misused, *you* should contact *us* immediately.

For circumstances in which *you* are liable for losses resulting from 'unauthorised *EFT transactions*', see clause 4.23. *Your* liability for losses resulting from unauthorised *EFT transactions* will be determined under the *ePayments Code* (as reflected in clause 4.23) rather than clause 4.18, except where *your account* is a *business account* in which case *your* liability for such losses will be determined under clause 4.23.1.

You should ensure that *authorised operators* are familiar with these guidelines as *you* may be liable for losses those *authorised operators* incur in relation to *your account*.

You should also refer to clause 4.25 in relation to *your* liability for other unauthorised transactions.

4.18 Guidelines – access method security

This clause sets out guidelines for *users* on ensuring the security of an *access method*. These are guidelines only.

4.18.1 Keeping your cards and codes secure

You may be provided with two types of security code numbers which *you* will need to access *your account* using a *card* or *Home Banking Service*. The *PIN* must be used to access *your account* through ATMs and EFTPOS retailers. An *OBP/PAC* must be used to access *your account* through *Home Banking Services*.

The security of *access methods*, in particular, *cards*, *PINs* and *OBPs/PACs* (or any other code) is very important. *Users* must make every effort to see that their *card* and any record of their *PIN*, *OBP*, *PAC* or other code are not misused, disclosed, lost or stolen. These guidelines are designed to assist *you* with security and to reduce the incidence of losses that *you* or *we* may incur.

4.18.2 Security guidelines generally

Users should:

- Sign a *card* as soon as it is received
- Not voluntarily disclose a *PIN*, *OBP*, *PAC* or other code to anyone (including to a family member or friend)
- Take reasonable steps to prevent another *person* observing the *user* entering their *PIN*, *OBP*, *PAC* or other code
- Not permit any other *person* to use any *card* that has been issued to the *user*
- If we permit the *user* to select or change a *PIN*, *OBP*, *PAC* or other code, not select a numeric code that represents the *user's* birth date or an alphabetical code which is a recognisable part of the *user's* name

- When using Online Banking exit the bank application before leaving the computer unattended and take reasonable steps to maintain the security of the *user's* hardware and software
- Not record their *PIN* on their *card*, or keep a record of their *PIN* on any article or articles normally carried with the *card*, or which are liable to loss or theft with the *card*
- Not record their *OBP/PAC* or other *code* used to access a *Home Banking Service* on a telephone or computer, or keep a record of their *OBP/PAC* or any article or articles containing such other *code* which are liable to loss or theft with the record of the *OBP/PAC*.

If a *user* requires a memory aid to recall their *PIN*, *OBP*, *PAC* or other *code*, then if the *user* makes a record of that *code* they should make a reasonable attempt to protect the security of the *code* record. For example, *users* should make a reasonable attempt to disguise the *code* within the record and take reasonable steps to prevent unauthorised access to the *code* record, for example by hiding or disguising the *code* record among other records or in places where a *code* record would not be expected to be found, by keeping the record of the *code* in a securely locked container or where the *code* is stored electronically and prevent unauthorised access to the relevant electronic record.

Users should not record a disguised *PIN* on their *card* or record a disguised *OBP/PAC* or other *code* used to access a *Home Banking Service* on a telephone or computer, disguise their *code* by reversing the number sequence, disguise a *code* using alphabetical characters or numbers (for example A=1, B=2, C=3, etc) or disguise a *code* using any of the following combinations (or parts of them):

- Dates of birth
- Personal telephone numbers
- Car registration numbers
- Family members' names
- Social security numbers
- Licence numbers.

Users should not describe their disguised record as 'internet banking *code*', 'online *code*', 'access line *code*', '*PIN* record', '*OBP/PAC* record', 'personal access *code* record' or anything similar; or store their *code* in any low security electronic device of any kind, such as calculators, personal computers and electronic organisers.

Other means of disguise may also be inappropriate as they may allow someone else to ascertain the *user's code*. *Users* should exercise extreme care if they decide to record a memory aid for a *code*.

4.19 Business accounts and the ePayments Code

The *ePayments Code* does not apply to *EFT transactions* in relation to *business accounts*. If your account is a *business account*, then these *terms and conditions* are varied where expressly indicated in this section. Where it is indicated in this section that certain clauses do not apply in relation to *business accounts*, such clauses do not apply, despite them being referred to in other clauses (in which case such other clauses are to be read as if that reference to the clause that does not apply did not appear).

4.20 Changes to terms and conditions – transaction services

We may change these *terms and conditions* from time to time, including to:

- Impose or increase charges relating solely to the use of an *access method*, or the issue of an additional or replacement *access method*
- Increase your liability for losses relating to *EFT transactions* (subject to the liability limits in the *ePayments Code* to the extent that the *ePayments Code* applies)
- Impose, remove or adjust a daily transaction limit or other periodic transaction limit applying to the use of an *access method*, an *account* or *electronic equipment*.

We will give you such period of advance notice of any change as required by any applicable law, (including the National Credit Code), applicable industry or other code of practice (including the *ePayments Code* and the Code of Banking Practice) or, if applicable to the change, the *terms and conditions* of your *account*. In the absence of any such requirement we will give you notice of any such change in advance of the date it takes effect. Any such notice will be given in writing, by advertisement in the national media or local media or, where permitted, electronically.

Notwithstanding the provisions of this clause, advance notice need not be given when changes are necessitated by an immediate need to restore or maintain the security of the system or individual *accounts*.

4.21 Complaints in relation to *transaction services*

4.21.1 Complaints in relation to *EFT transactions*

If a *user* has a complaint relating to an *EFT transaction* or any other matter covered by the *ePayments Code*, including any apparent error in a transaction or instances of unauthorised transactions or a query relating to an entry in, or an apparent error in, a *statement of account*, the following procedures will apply:

- a. The *user* must notify *us* promptly by telephoning *us* on the relevant numbers set out in the Contact details section of this *Product Guide* and must as soon as possible thereafter supply *us* with written confirmation of the complaint.
- b. If we are unable to resolve the matter immediately, the *user* will be given written advice of *our* procedures to investigate and handle the matter and will be required to give details of all relevant information regarding the complaint.
- c. Within 21 days of receiving the complaint, we will advise the *user* in writing of either the outcome of the investigation or the need for more time to complete *our* investigation.
- d. In all but exceptional cases, we will take less than 45 days to complete *our* investigation.
- e. If it is going to take longer than 45 days to resolve the complaint, we will:
 - inform the *user* of the reasons for the delay
 - provide the *user* with *monthly* updates on progress with the complaint
 - specify a date when a decision can be reasonably expected, unless we are waiting for a response from the *user* and the *user* has been advised that we require such a response.
- f. When we complete *our* investigation, we will promptly inform the *user* of:
 - the outcome
 - *our* reasons for *our* decision, with reference to relevant provisions of the *ePayments Code*
 - except where the complaint has been resolved completely in the *user's* favour, the further action the *user* can take in respect of the *ePayments Code* including other avenues of dispute resolution that are available and the relevant contact details. This advice will be in writing unless the complaint is settled immediately to the satisfaction of the *user* and *us*.

- g. If we decide that an *account* has been incorrectly debited or credited, having regard to the provisions of the *ePayments Code* we will where appropriate adjust the *balance* of the *account* (including appropriate adjustments for any interest and/or charges) and tell *you* in writing of the amount by which the *account* has been debited or credited as a result.
- h. If we decide that *you* are liable under clauses 4.23 or 4.24 of this *Product Guide* for at least part of the amount of the transaction subject to complaint, we will make available to *you* copies of any document or other evidence (including information from the log or audit trail relating to the transaction) relevant to the outcome and will also advise *you* in writing whether there was a system or equipment malfunction at the time of the transaction.
- i. Where we decide to resolve a complaint concerning an 'unauthorised transaction' under clauses 4.23.2 or 4.23.3 and within 7 *business days* of receipt of the complaint, adjust *your account* pursuant to subclause (h) above to give effect to that decision and provide the *user* with the information required by subclauses (g) and (h) above, we are not required to comply with subclauses (b), (c) or (i) above in respect of the complaint concerning the unauthorised transaction.

4.21.2 Mistaken Internet Payments

If *you* have made a *mistaken internet payment*, *you* should report it to *us* as soon as possible. We will investigate *your* reported *mistaken internet payment* and inform *you* of the outcome in writing within 30 business days of *your* report.

If we are satisfied that a *mistaken internet payment* has occurred, we will contact the *receiving bank*. We are not required to take any further action if we are not satisfied that a *mistaken internet payment* has occurred.

If the *receiving bank* is also satisfied that a *mistaken internet payment* has occurred the next actions will depend on whether the *unintended recipient* has sufficient funds available in their account.

Where the *unintended recipient* has sufficient funds available in their account, the process depends on when *you* reported the *mistaken internet payment*.

- If *you* made the report within 10 business days, the *receiving bank* will withdraw the funds from the *unintended recipients* account.
- If *you* made the report between 10 business days and 7 months, the *receiving bank* will give the *unintended recipient* 10 business days to establish that they are entitled to those funds.

If the *unintended recipient* does not establish that they are entitled to the funds, the *receiving bank* will withdraw the funds from the *unintended recipients* account.

- If *you* made the report after 7 months, the *receiving bank* may try to get the consent of the *unintended recipient* to return the funds. If the *unintended recipient* consents, the *receiving bank* will withdraw those funds from the *unintended recipients* account.

Where the *unintended recipient* does not have sufficient funds available in their account, the *receiving bank* will use reasonable endeavours to retrieve the funds from the *unintended recipient*.

Where the *receiving bank* withdraws the funds from the *unintended recipients* account, the *receiving bank* will return the funds to *us*. We will then return the funds to *you*.

We are not required to credit *your account* for the amount of an incorrect 'pay anyone' payment pending investigation of *your* report.

We are not required to backdate funds to *your account* received from an *unintended recipient*, nor are we required to adjust interest applied to *your account*.

If the *receiving bank* is not satisfied that a *mistaken internet payment* has occurred the *receiving bank* may try to get the consent of the *unintended recipient* to return the funds.

You will be liable for losses arising from the *mistaken internet payment* if the *receiving bank* does not recover the funds from the *unintended recipient*.

If *you* are the *unintended recipient* of funds and if we are required to withdraw those funds from *your account* under the *ePayments Code* (as the *receiving bank*), *you* authorise *us* to withdraw those funds in accordance with the *ePayments Code*.

4.21.3 Business accounts

If *your account* is a business account, clause 4.21.1 will not apply. Any complaint in relation to a *BPAY* payment will be dealt with in accordance with the requirements of the *BPAY* scheme rules and operating procedures at that time. Other complaints will be dealt with in accordance with any industry or other code of practice which is applicable and which is binding on *us*, or will otherwise be dealt with as we see fit.

4.22 Your obligations

You are liable for all of *your* obligations under these *terms and conditions* both on *your* own and, for obligations in respect of *your account* and subject to the terms of that *account*, jointly with any one or more other *persons* who may hold the *account* jointly with *you*. Subject to any express provisions in this section regarding liability, including liability under the *ePayments Code* or *BPAY*:

- We do not accept any liability or responsibility for disclosure of information relating to *your account* via any *Home Banking Service* where such information is obtained by or in conjunction with any *person* using *your OBP/PAC*
- We are not responsible or liable for any loss or damage suffered by *you* or any other *person* arising directly or indirectly from or in connection with *Home Banking Services*:
 - should any *Home Banking Service* instruction (other than an instruction for an *EFT transaction*) not be performed, not be performed in its entirety, not be performed promptly, not be performed in the way we have said it will perform, or is erroneous
 - should *our equipment* refuse to accept an instruction at any time as a result of any loss, modification, damage or destruction of hardware or software including where caused by computer virus or program bugs or similar causes
 - for any other reason where the law and any applicable code of practice (including the *ePayments Code*) do not provide that *you* are not so liable.

4.23 Liability for unauthorised *EFT* transactions

4.23.1 Application of this clause

This clause 4.23 deals with liability for *EFT transactions* which are not authorised by a *user* and does not apply to any transaction carried out by a *user* or by anyone performing a transaction with a *user's* knowledge and consent.

This clause 4.23 does not apply to any transaction relating to a *business account*. If *you* hold a *business account*, subject to clause 4.14, *you* will be liable for all transactions on *your business account*, whether authorised by a *user*, carried out by a *user*, by anyone performing a transaction with a *user's* knowledge and consent or by an unauthorised *person*.

4.23.2 When you are not liable for losses

You are not liable for losses resulting from unauthorised transactions:

- Occurring after notification to us that any *card* forming part of the *access method* has been misused, lost or stolen or that the security of *codes* forming part of the *access method* has been breached
- Where it is clear that a *user* has not contributed to such losses. If a *user* is unable to report the loss, theft or unauthorised use of a *card* or breach of security by reason of *our* notification facilities being unavailable you are not liable for any losses occurring during the period in which such facilities were not available providing that notification is made to us within a reasonable time of the facility again becoming available.

You are also not liable for any losses:

- That are caused by the fraudulent or negligent conduct of *our* employees or agents or companies involved in networking arrangements or of merchants or of their agents or employees
- Relating to any component of an *access method* that is forged, faulty, expired or cancelled
- That arise from transactions which require the use of a *card* or *code* forming part of the *user's access method* and that occurred before the *user* has received any such *card* or *code* (including a reissued *card* or *code*),
- That are caused by the same transaction being incorrectly debited more than once to the same *account*.

4.23.3 When you are liable for losses

If clause 4.23.2 does not apply then you are liable for losses resulting from unauthorised transactions only as provided below:

- a. Where we can prove on the *balance* of probability that a *user* contributed to the losses through the *user's* fraud or the *user's* contravention of the *rules for user codes* in clause 4.23.4, you are liable for the actual losses which occur before we are notified that a *card* forming part of the *access method* has been misused, lost or stolen or that the security of the *codes* forming part of the *access method* has been breached, but you are not liable for any loss that exceeds transaction or *account* limits as follows:
 - i. that portion of the losses incurred on any one day which exceed the applicable daily transaction limit(s)

- ii. that portion of the losses incurred in a period which exceeds any other periodic transaction limit(s) applicable to that period
 - iii. that portion of the total losses incurred on any *account* which exceeds the *balance* of that *account* (including, where the *ePayments Code* allows, any prearranged credit)
 - iv. all losses incurred on any *accounts* which you and we had not agreed could be accessed using the *access method*.
- b. Where an *access method* includes more than one *code* and we prove that a *user* contravened the *rules for user codes* by voluntarily disclosing or by keeping a record of one or more *codes* but not all the *codes* in the *access method*, you are liable under this subclause:
 - i. Only if we also prove on the *balance* of probability that the *user's* contravention of the *rules for user codes* was the dominant contributing cause of the losses.
 - ii. The *user's* unreasonable delay in giving notice where we can prove on the *balance* of probability that a *user* has contributed to losses resulting from unauthorised transactions by the *user's* unreasonable delay in notifying us after becoming aware of the misuse, loss or theft of a *card* forming part of the *access method*, or that the security of all of the *codes* forming part of the *access method* has been breached, you are liable for the actual losses which occur between when the *user* became aware (or should reasonably have been aware in the case of a lost or stolen *card*) and when we were actually notified, but are not liable for any losses that exceed the transaction or *account* limits described above in paragraphs (i), (ii), (iii) or (iv) of clause 4.23.3(a).
 - c. Where a *code* was required to perform the unauthorised transactions and neither of clauses 4.23.3(a) or 4.23.3(b) apply, you are liable for the least of:
 - i. \$150
 - ii. the *balance* of those *account(s)* (including any pre-arranged credit) from which value was transferred in the unauthorised transactions and which you and we have agreed may be accessed using the *access method*
 - iii. the actual loss at the time we are notified (where relevant) that the *card* has been misused, lost or stolen or that the security of *codes* has been breached (excluding that portion of the losses incurred on any one day which exceed any applicable daily transaction or other periodic transaction limit(s)).

- d. If *you* have contributed to the loss by leaving a card in an ATM which incorporates reasonable safety standards that mitigate the risk of a card being left in the ATM.

4.23.4 Rules for user codes

Where an *access method* utilises a *code* or *codes*, a *user* must comply with the following rules:

- The *user* must not voluntarily disclose one or more of the *codes* to anyone, including a family member or friend
- Where the *access method* also utilises a *card*, the *user* must not indicate one or more of the *codes* on the *card*, or keep a record of one or more of the *codes* (without making any reasonable attempt to protect the security of the *code* records) on the one article, or on several articles, carried with the *card* or liable to loss or theft simultaneously with the *card*
- Where the *access method* comprises a *code* or *codes* without a *card*, the *user* must not keep a record of all the *codes* (without making any reasonable attempt to protect the security of the *code* records) on the one article, or on several articles so that they are liable to loss or theft simultaneously
- Where we permit the *user* to select or change a *code* and, immediately before the *user's* selection or change of the *code*, we specifically instruct the *user* not to select a numeric *code* which represents the *user's* date of birth or an alphabetical *code* which is a recognisable part of the *user's* name and warn the *user* of the consequences of such a selection, then the *user* must not select such a numeric or alphabetical *code*
- The *user* must not act with extreme carelessness in failing to protect the security of the *code*.

Where we expressly:

- Authorise particular conduct by a *user* (either generally or subject to conditions), the engaging in that conduct by the *user* (within any applicable conditions) is not a contravention of the *rules for user codes*
- Or impliedly promote, endorse or authorise the use of an *account access service* by a *user* (including the hosting of an *account access service* at *our* electronic address), disclosure, recording or storage of a *code* by a *user* that is required or recommended for the purpose of using that *account access service* is not a contravention of the *rules for user codes*.

For the purposes of the *rules for user codes*, a reasonable attempt to protect the security of a *code* record includes either or both of making any reasonable attempt to disguise the *code(s)* within the record and taking reasonable steps to prevent unauthorised access to the *code* record.

4.24 Liability in cases of system or equipment malfunction

We are responsible to *users* for loss caused by the failure of *our system* or *our equipment* to complete an *EFT transaction* accepted by *our system* or *our equipment* in accordance with the *user's* instructions.

A *user* is entitled to make claims for consequential damage in relation to an *EFT transaction* which may arise as a result of a malfunction of *our system* or *our equipment* however caused, except where the *user* should have been aware that the system or equipment was unavailable for use or malfunctioning, in which case *our* responsibilities are limited to the correction of any errors in the *account*, and the refund of any charges or fees imposed on *you* as a result.

This clause does not apply to any transaction relating to a *business account*. If *you* hold a *business account*, subject to clause 4.14, *you* will be liable for all transactions on *your business account*, whether *authorised* by a *user*, carried out by a *user*, by anyone performing a transaction with a *user's* knowledge and consent or by an unauthorised *person*.

4.25 Liability – other transactions

You are liable for any *card* transaction:

- Which is not *authorised* by a *user* or which is not carried out by a *user* or by anyone performing a transaction with the *user's* knowledge or consent
- Which is not an *EFT transaction* (such as the use of a *card* to make a *purchase* where a *PIN* is not used and a voucher is signed to authorise the transaction), but *you* will not be liable for any such transaction that occurs after we receive notice from *you* that the *card* has been lost or stolen.

You are liable for transactions which are *authorised* by a *user* or which are carried out by a *user* or by anyone performing a transaction with a *user's* knowledge or consent.

This clause does not apply to any transaction relating to a *business account*. If *your account* is a *business account*, subject to clause 4.14, you will be liable for all transactions on *your account* whether *authorised* by a *user*, carried out by a *user*, by anyone performing a transaction with a *user's* knowledge and consent or by an unauthorised *person*.

4.26 Indemnity from you

Unless *your* liability is limited by another term in this *Product Guide*, you agree to indemnify *us* against any loss, damage, liability, costs, charge or expense that we may suffer or incur directly or indirectly because of:

- Any claim, demand or action of any kind brought against *us* arising directly or indirectly from *you* not observing any of *your* obligations set out in this *Product Guide*
- *You* acting negligently or fraudulently in connection with the agreement constituted by these *terms and conditions*
- *Us* acting on instructions given by a *user* or for which *you* are otherwise liable under these *terms and conditions*
- Any loss, misuse, defacement or destruction of a *card* issued to a *user*
- Any loss, defacement or destruction of any cheque issued to a *user*
- *Us* refusing to allow payment of a cheque in good faith in the ordinary course of business
- A stop payment request being given too late to enable the payment to be stopped
- The appointment of or any action taken or notification given by an *authorised operator*
- Any action taken on instruction received by fax or telephone whether or not any instructions were actually given by *you*
- The operation or use of any good or service provided by *us* and made available to a *user*
- A withdrawal request, however made and including by cheque, which is agreed to by *us* and for which there are insufficient cleared funds in *your account*
- *You* stopping payment on a cheque
- Any computer viruses, program bugs and similar causes where such loss, damage, liability, cost, charge or expense arises as a direct or indirect consequence of use by a *user* of a *Home Banking Service*.

4.27 Implied conditions and warranties

Some legislation (including the Competition and Consumer Act 2010 and the Australian Securities and Investments Commission Act 2001) implies conditions and warranties into particular types of contract, and some legislation does not permit such conditions and warranties to be excluded, restricted or modified. The *terms and conditions* contained in this section are limited such that they do not exclude, restrict or modify any of those rights.

However, so far as the law allows, we do not make any representations or give any warranties about the *transaction services* being provided with due care and skill or being reasonably fit for the purpose for which they are supplied.

To the extent permitted by law *our* liability for any breach of a condition or warranty is limited to:

- In the case of goods, the replacement or repair of the goods or the cost of replacing or repairing such goods
- In the case of services (including financial services), the supplying of the services again or the payment of the cost of having these services supplied again.

Circumstances in which the law would permit *us* to limit *our* liability for these implied conditions and warranties might include where *you* acquire a service for business purposes and *you* cannot establish that it would be unfair or unreasonable for *us* to rely on such limitation of *our* liability.

5. Part E – Fees and charges

5.1 Fees and charges payable

You agree to pay us:

- All fees and charges described in this *Product Guide* plus any new fees and charges we impose under the *terms and conditions*, and
- Government charges, including all additional government stamp and other duties and charges payable on receipts or withdrawals under these *terms and conditions*, including, where applicable, on credit business in Queensland (these duties and charges are payable by you at the time, as a matter of law, they are required to be paid), and

- Any expenses we incur in enforcing the *terms and conditions of your account*. You authorise us to debit any of these amounts to your *account*. We may do so on or after the date we pay them or the date they become due or payable by you or us (whichever is earlier).

We can at any time choose not to collect a fee or charge from you. This does not prejudice our right to collect the fee or charge in the future. The amount or frequency or time of payment of a fee or charge may change or a new fee or charge may be imposed in accordance with these *terms and conditions*.

5.2 How to minimise fees

Simple ways to reduce the fees and charges payable on *your account* can include the number of withdrawals *you* make. For example, if *you* currently withdraw small amounts of money a number of times a week, *you* may wish to withdraw a larger amount only once or twice a week. When making *purchases* via EFTPOS the retailer may allow *you* to take cash out at the same time. This will be considered as one transaction only.

Selecting free transactions or transactions that attract a lower fee. For example, if *you* currently visit a *branch* to make regular withdrawals, consider using *your card* at an ATM instead.

Transactions that are free of charge include:

- Bendigo Bank ATM withdrawals, transfers or *balance* enquiries
- Cash deposits (at any Bendigo Bank *branch*)
- Auto deductions (a transfer from one Adelaide Bank account to another Adelaide Bank account)
- *Regular payment plan*
- BPAY to Adelaide Bank accounts
- Direct credits
- Express Line (telephone banking) *balance* enquiries
- Online Banking *balance* enquiries.

6. Part F – General matters

6.1 Insolvency and bankruptcy

If *you* experience an *insolvency event*, *you* or *your authorised operator* must immediately notify us of this fact.

Once we receive notification of the *insolvency event*, we will stop *your account*, denying *you* access to *your* money, and we will act on instructions from *your* administrator or similar official.

If *you* have a partnership *account* or a joint *account* and one of the *account* holders or partners is subject to an *insolvency event*, once we receive notification of the *insolvency event*, we will stop the *account* and deny all the *account* holders access to the *account* and we will act on instructions from *your* administrator or similar official.

6.2 Default

You will be in default if *you* breach these *terms and conditions* or any other *agreement* *you* have with us, or if any information *you* give us in connection with *your account* is, in *our* opinion, false or misleading. *You* must notify us immediately if *you* become aware that *you* are in default under these *terms and conditions*.

If *you* are in default, we may give *you* a notice stating that *you* are in default.

If *you* do not correct the default within any period given in the notice then, at the end of that period and without further notice to *you*, the *total amount owing* becomes immediately due for payment (to the extent it is not already due for payment). We may then sue *you* for that amount.

In limited circumstances set down by law (such as if we are unable to locate *you*), we need not give the notice or wait until the end of any period given in a notice. In such a case, the *total amount owing* becomes immediately due for payment without notice and we may then immediately sue *you* for that amount.

If *you* are in default, we may use any money *you* have in this *account* or in another *account* with *us* towards repaying the *total amount owing* (this is known as a contractual right to 'combine *accounts*'). We may combine *accounts* without giving *you* any notice but we will advise *you* afterwards. This provision does not affect any rights we have to combine *accounts* which arise by operation of law.

Your obligation to pay on time is not cancelled by these provisions. Further information on combining *accounts* is in the following paragraphs.

6.3 Combining *accounts* and set-off

We can combine the *balances* of two or more of *your* *accounts*. For example, if *your* cheque account is overdrawn we might use money in *your* savings account to reduce the amount *you* owe on *your* cheque account.

When *you* have an existing account with *us* and *you* open a new *account* covered by this *Product Guide*, the new *account* can be combined with *your* existing account.

However, this would not happen where, for example:

- We know the accounts are not held by *you* in the same capacity (for example, where *you* have a personal account and also an *account* as trustee for *your* child)
- *Your* debt to *us* arises from some business other than banking
- We have specifically agreed to keep *your* accounts separate or *your* dealings with *us* suggest such an agreement.

When combining accounts we will comply with any applicable requirements of the Code of Operation for Department of Human Services and Department of Veteran's Affairs Direct Credit Payments.

We will not exercise *our* right to combine *your* accounts in connection with amounts *you* owe in respect of any credit facility which *you* hold with *us* that is regulated by the National Credit Code;

- While we are actively considering *your* financial situation as a result of *your* hardship application (we may ask *you*, as a condition of not exercising *our* right to combine *your* accounts, to agree to retain funds in an account until our decision on *your* hardship application has been made); or
- While *you* are complying with an agreed arrangement with *us* resulting from *our* consideration of *your* hardship application.

We will promptly tell *you* if we have combined any of *your* accounts, but we are not liable to do so beforehand. *You* cannot presume an overdrawn account will be combined by *us* with an account which is in credit (for example, in order to cover cheques *you* have drawn on the overdrawn account) unless we have agreed to this. Subject to any statutory right of set-off which we cannot exclude by agreement, *you* must pay *us* all amounts due under these *terms and conditions* in full without setting off amounts *you* believe we owe *you* and without counterclaiming amounts from *us*. We may set off any amounts we owe *you* against money *you* owe *us*.

6.4 Taxation and social security

6.4.1 Assessable income

All income that *you* receive in relation to *your* *account* will be assessable income for taxation purposes unless *you* are exempt from income tax. *You* may wish to seek independent taxation advice before opening an *account*.

6.4.2 Tax file number (TFN) notification

You are not obliged to provide *us* with *your* TFN, however if *you* do not supply *us* with *your* TFN or claim a valid exemption for each *account* holder we will be required to deduct tax from interest payments made to *you*. Tax will be deducted at the highest marginal rate plus the Medicare Levy in accordance with Australian Taxation Office requirements.

Australian companies and certain other business entities may supply an ABN instead of a TFN.

Please note that if the TFN is not provided at the opening of this *account* and withholding tax is deducted, we cannot refund the tax deducted and *you* are required to contact the Australian Taxation Office to obtain any refund.

6.4.3 Social security

Bank accounts are subject to both income and assets tests, and therefore a deposit with *us* may affect *your* entitlement to a social security benefit. We recommend that *you* seek independent advice from a financial adviser or Centrelink before choosing to make a deposit.

6.5 Financial difficulty

If *you* are experiencing financial difficulty, *you* should promptly inform *us* by contacting *us*.

6.6 Incapacity

If we are satisfied that:

- You have become of unsound mind or incapable of managing *your* affairs through age or infirmity or any other reason;
- No committee, receiver or guardian has been appointed although the contrary may be the fact,

We may permit a withdrawal by any *person* who appears, to *our* satisfaction, to have the care or custody of *you* or the management of *your* affairs of the whole or any portion of the *deposit balance* of *your* account. Such withdrawal shall be taken to be a valid act by *you* and the receipt of funds by such *person* shall be binding upon *you*. We shall not be liable to any *person* including *you* in respect of any such withdrawal.

6.7 Equitable interests

Except as required by court order or these *terms and conditions* and although *our* records may indicate that money deposited with *us* is held on trust, we may not and are not obliged to recognise any beneficial interest in that money.

6.8 Adjustments

We may subsequently adjust debits and credits to *your* account so as to accurately reflect the legal obligations of *you* and *us* (for example, because of an error or a dishonour). If we do this we may make consequential adjustments (including to interest charges).

6.9 End of day

A day of the week ends for any purpose under this agreement at 5.00pm Central Standard Time (CST).

6.10 Variations and waivers

A provision of these *terms and conditions*, or a right created under it, may not be waived except in writing signed by the party or parties to be bound. We may agree to change these *terms and conditions* or defer or waive any of these *terms and conditions* without creating a new agreement.

6.11 Time

A reference to a time in this *Product Guide* is a reference to Central Standard Time (CST).

6.12 How we may exercise *our* rights

Acting reasonably at all times, we may exercise a right or remedy or give or refuse *our* consent in any way we consider appropriate including by imposing reasonable conditions. If we do not exercise a right or remedy fully or at a given time, we can still exercise it later. *Our* rights and remedies under these *terms and conditions* are in addition to other rights and remedies provided by law independently of it or by any other *agreement*. *Our* rights and remedies under these *terms and conditions* may be exercised by any of *our* employees or any other *person* we authorise.

To the full extent permitted by law, we are not liable for loss (including consequential loss) caused by the exercise or attempted exercise of, failure to exercise, or delay in exercising, a right or remedy.

6.13 *Our* certificates

We may give *you* a certificate about a matter or about an amount payable in connection with these *terms and conditions*. The certificate is sufficient evidence of the matter or amount, unless it is proved to be incorrect.

6.14 Assignment

We may assign *our* rights under these *terms and conditions*. You agree that we may disclose any information or documents we consider desirable to help *us* exercise this right. *Your* rights are personal to *you* and may not be assigned without *our* written consent.

6.15 Trade hold authority

Where *your* financial adviser or stockbroker is an *authorised operator* on *your* account you agree that:

- Any financial adviser or stockbroker who has full access *authorised operator* status on *your* account may place, maintain and remove a hold on the funds in *your* account. We may place, maintain and remove a hold, but only under instructions from *you* which are accompanied by a written authority to also remove *your* financial adviser or stockbroker as a full access *authorised operator* on the account. When a hold is placed, whoever places the hold will nominate a release date for the hold.

- A hold will make the funds that are the subject of the hold unavailable to *you* for the duration of the hold and may thus affect the *available balance* of *your account*. This may prevent transactions from being processed.
- Some transactions that could be prevented due to a hold being placed on funds may incur a fee (e.g. cheque dishonours, direct debit dishonours) and neither *your financial adviser*, *your stockbroker*, or *us* takes any responsibility for fees incurred by *you* as a result. Refer to the fees and charges section of this *Product Guide* for details of dishonour fees.
- A hold can only be placed on available funds.
- The hold will be removed and funds will be available at the close of business on the last *banking day* preceding the nominated release date.
- A hold on funds in the *account* will be removed when it is deleted by whoever is properly authorised to remove that hold, it is deleted by *us* under instructions from *you* when accompanied by a written authority to also remove *your financial adviser* or stockbroker as a full access *authorised operator* on the *account*, a transaction is processed during the hold period equal to the held amount or the hold period elapses.
- A *statement of account* will not provide a record of holds placed on funds in the *account*.
- A record of elapsed holds is not kept by *us*.

6.16 Inconsistent legislation

Where legislation applies to these *terms and conditions* then if that legislation would otherwise make a provision of these *terms and conditions* illegal, void or unenforceable, or a provision of these *terms and conditions* would otherwise contravene a requirement of that legislation or impose an obligation or liability that is prohibited by legislation, these *terms and conditions* are to be read as if that provision were varied to the extent necessary to comply with that legislation or, if necessary, omitted.

To the extent allowed by law and subject to the paragraph above, these *terms and conditions* prevail to the extent they are inconsistent with any law.

6.17 Applicable law

These *terms and conditions* are governed by the law in force in South Australia. *You* and *we* submit to the non-exclusive jurisdiction of the courts of that place.
