

## Rental Property Tax Return - Year End Questionnaire 2026

To assist us in preparing your rental property tax schedules, please use this questionnaire as a checklist when you compile your information.

With respect to your rental income, please keep in mind that the Australian Taxation Office (ATO) has the ability to check your return income against independent sources. For deductions, keep in mind that self-assessment applies. In the event of an ATO audit, you will need to be able to substantiate the deductions claimed.

Thank you for completing this questionnaire. Completing it takes considerable time and effort however your efforts will enable us to process your work quickly and efficiently because we will have all the necessary information at hand to complete the work. This will also maximise deductions and avoid unnecessary costs, as we won't need to come back to you with further requests for information, thus delaying the processing of your return.

**IMPORTANT:** Please note if you are planning to send your documents via email in a ZIP folder (compressed folder), please ensure you password-protect the folder and call us to advise the password. This will keep your data secure, and our system's anti-virus software won't block the email from reaching us. If you aren't sure how to set a password, [follow these instructions](#).
